- Screen Reader : Supported

Print length : 90 pages

This beautifully illustrated puzzle set is a fantastic way for kids to learn the German alphabet. With each piece representing a letter, children will have fun putting together the puzzle while absorbing the different sounds and pronunciations.

The colorful and vibrant illustrations capture the attention of young learners, making the alphabet learning process highly enjoyable and engaging. The puzzle pieces are also sturdy and durable, ensuring long-lasting use.

2. "Animals Around the World" Flashcards

These colorful flashcards feature adorable illustrations of animals from different regions of the world. Each card not only teaches the German name for the animal but also includes interesting facts and information about the species.

With these flashcards, children can expand their vocabulary, learn about different cultures, and develop a curiosity for the animal kingdom. The diverse range of

animals represented in the set ensures an exciting learning experience for children of all interests.

3. "Mein Körper" Magnetic Puzzle

This interactive magnetic puzzle features various body parts and organs. By playing with this puzzle, children learn the German words for different body parts while familiarizing themselves with the human anatomy.

The magnetic pieces make it easy for children to assemble the puzzle and experiment with different combinations. This hands-on approach to learning promotes motor skills development, problem-solving abilities, and a deeper understanding of the human body.

4. "Reisen um die Welt" Board Game

This exciting board game takes kids on a journey around the world, introducing them to different cultures, landmarks, and languages. As children navigate the game board, they encounter various language learning challenges and opportunities.

Through interactive gameplay, children learn and practice vocabulary, sentence structure, and pronunciation. The game fosters curiosity and excitement for travel while expanding children's knowledge of the German language in a playful way.

5. "Deutsch Superhelden" Storybook Set

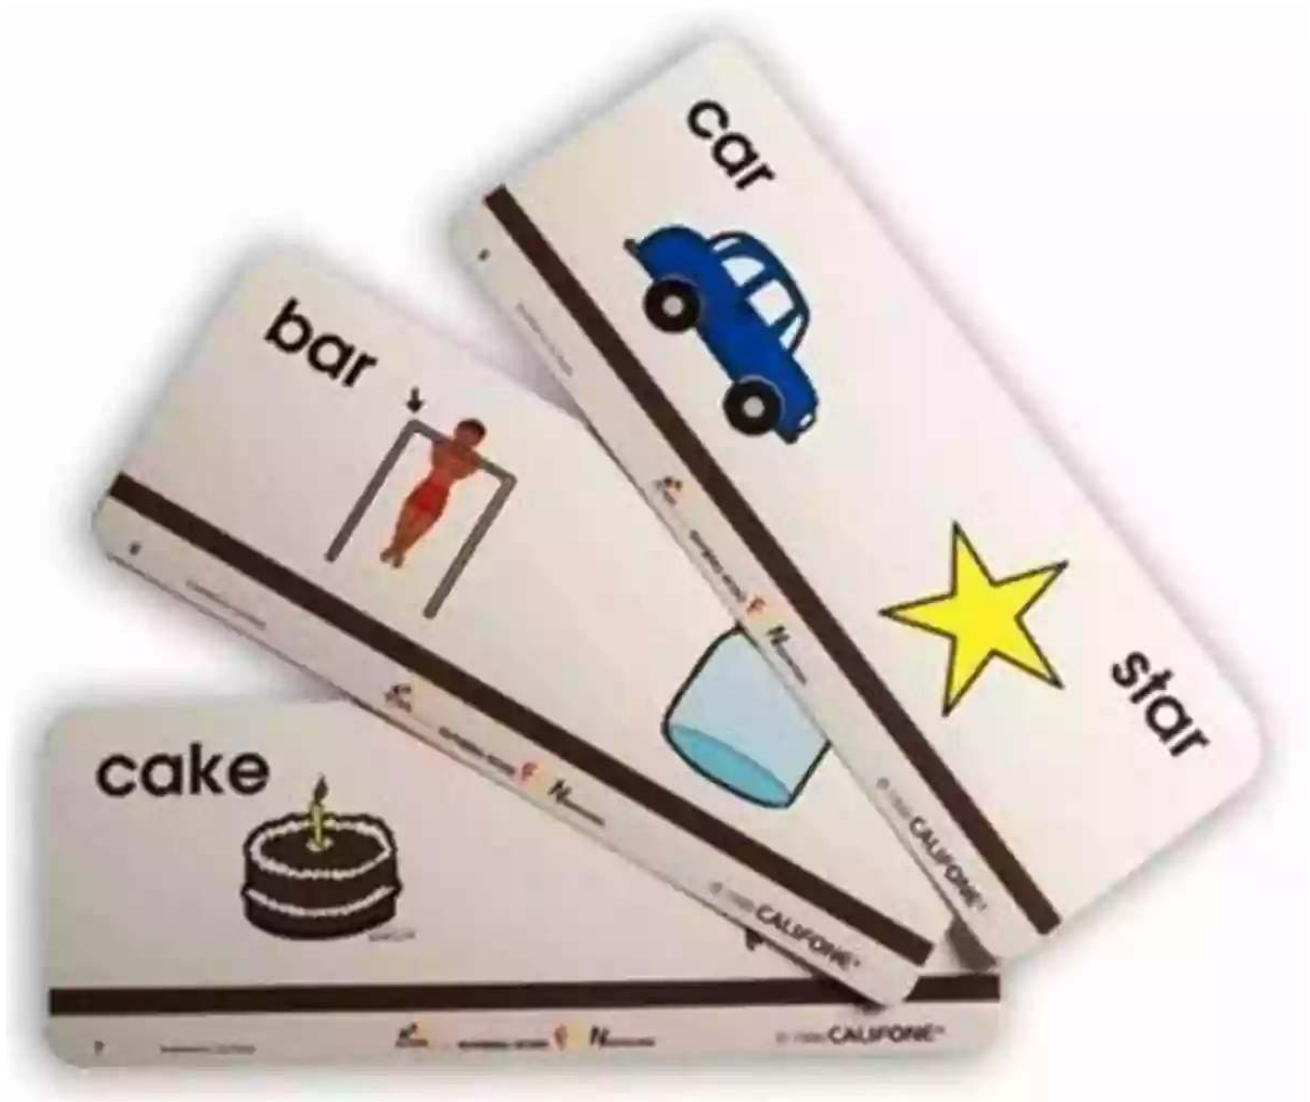

This captivating storybook set brings German superheroes to life, captivating young readers with exciting adventures and engaging characters. Each book is

packed with colorful illustrations, allowing children to follow the storyline with ease.

With these books, children enhance their reading comprehension, vocabulary, and storytelling skills in German. The imaginative stories inspire creativity and encourage children to embrace their own superpowers.

6. "Wort-Bild-Karten" Vocabulary Cards

These vocabulary cards are a helpful tool for language learning. Each card presents a German word along with an accompanying illustration, making it easy

for children to associate the words with their meanings.

The large size of the cards ensures clear visibility, allowing children to grasp the vocabulary effectively. These cards can be used for various learning activities, including matching games, memory exercises, and word association challenges.

7. "Rätselspaß" Activity Book

As children play with the play food set, they learn the German names for different foods, gain familiarity with German mealtime customs, and develop their storytelling skills through culinary roleplaying.

9. "Verbinde die Punkte" Connect the Dots Workbook

Free German Numbers Worksheets 1-12

homeschoolden.com

This connect the dots workbook creates a fun and educational activity to reinforce number recognition and counting skills. With each dotted line connected, children reveal hidden German words and images.

This workbook not only helps children learn numbers but also introduces them to new vocabulary and shapes. The progressive difficulty levels cater to children of different ages and abilities, providing a challenging yet rewarding learning experience.

10. "Die große Weltkarte" Wall Poster

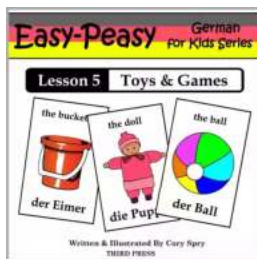

This colorful world map poster serves as a fantastic visual aid for children learning German. It introduces young learners to the names of different countries, continents, and oceans in the German language.

The detailed illustrations and vibrant colors make the map visually appealing and memorable. As children explore the map, they develop their geographical knowledge and cultural literacy while expanding their German vocabulary.

:

The Easy Peasy German For Kids Series offers a wide variety of toys and games that make learning German a fun and enjoyable experience for children. From puzzles to flashcards, each product is thoughtfully designed to engage young learners, stimulate their curiosity, and promote language acquisition.

Whether your child is just getting started with the German language or already has some knowledge, these toys and games provide valuable learning opportunities that are both entertaining and educational. Empower your child with the Easy Peasy German For Kids Series and let their language learning adventure begin!

Teaching your child German can be fun and easy! With engaging pictures your child will enjoy mastering the German words for 27 different toys and games!

The first section, "Learn Toys & Games in German" has everything you need to teach your child German toys & games, including:

- The English word
- A large picture of the toy / game
- The German word (including the article)

Then, to test how much your child has learned, switch to the "Practice German Toys & Games" section. This section works just like normal flash cards. The first page shows the toy or game, and turning the "page" shows the same photo, this time with the German word!

Plus at the end of the book is a convenient reference list of all the toys / games with their German names!
