Why Choose Stir Fry?

Stir frying has been a popular cooking technique in Asian cuisine for centuries, and for good reason. Not only does it preserve the nutrients and vibrant colors of the ingredients, but it also ensures that the flavors are locked in, resulting in a delicious and healthy meal.

Another great benefit of stir frying is its speed. Most stir fry recipes can be cooked in under 30 minutes, making it perfect for those busy weeknights when you want a tasty meal without spending hours in the kitchen. Plus, using a single pan means less clean-up time, making it ideal for those who prefer a quick and easy cooking experience.

A great bonding experience for the family is the mere act of being together around the dining table, without anyone glued to their smartphones and other forms of distractions. Obviously, this can't possibly happen all the time. That's the reason why this book "150 Spicy Stir Fry Recipes" comes in. Let's discover right now!

- 150 Awesome Spicy Stir Fry Recipes

The recipes in the book "150 Spicy Stir Fry Recipes" are the result of the long years I've spent with my mother and sisters helping them cook a lot of main

dishes. What I learned about cooking I mostly picked up from observing and asking questions, which led to something good. Each time I asked my mom how she prepared her specialty dish, she would share with me how she did it. But I've neither recorded nor tested her recipes. Beneath her piles of index cards filled with recipes plus handwritten notes, cookbooks, and cut out magazine pages with recipes my mom has barely touched are a precious collection of our family favorites, forever etched in our memories.

Most of the meals we prepare in the kitchen reflect so much about our family's past. These are the foods made in my many homes, in numerous countries, throughout the years. People say that variety is the spice of life. And so, you'll find here a global viewpoint on both healthy and indulgent food choices. From my family's table to yours, may you have a great time bonding with your family and making fond memories together.
