Where did the Triple T Token come from? And can Arcade keep the token for himself ... or will sinister forces steal it from his grasp? Finally, the answers you—and Arcade—have been waiting for! *Arcade and the Golden Travel Guide* is the second book in the humorous and imaginative *Coin Slot Chronicles* series by New York Times bestselling author, former NFL running back, and *Dancing with the Stars* champion Rashad Jennings.

Arcade, Zoe, and their friend, Doug, travel from New York to Virginia to stay with cousins and best friends Derek and Celeste. It's a chance for Arcade to feel "normal" again after all the thrilling Triple T adventures. But nothing is normal as long as the Triple T Token is hanging around Arcade's neck. Plus, Derek claims he's stumbled upon some troubling information, and now a suspicious person is following him.

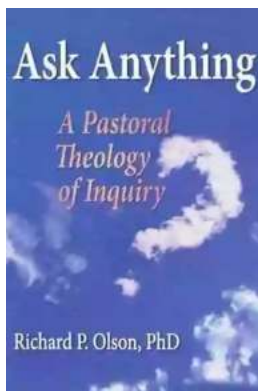

While spying on the guy Derek thinks is following him, he and Arcade discover a hidden box of old notes deep in the woods. As Arcade, Zoe, and their friends start to put the pieces together, the value of the token becomes clear, and the stakes are higher than ever.

Arcade will have to decide once and for all: Are the adventures the Triple T Token provides worth the trouble it brings?

Written and designed for reluctant readers, with shorter chapters and meaningful illustrations throughout the book. Arcade and the Golden Travel Guide teaches children ages 8 and up:

- Problem solving skills and how to have a growth mindset
- The importance of generosity, compassion, and forgiveness
- To believe in themselves
