Brewology fills this void by providing beer lovers and aspiring brewers with a one-stop resource to learn about beer-related terms and concepts. Whether you are curious about the different types of hops or want to understand the fermentation process, this dictionary is your ultimate companion.

The visual aspect of Brewology sets it apart from traditional dictionaries. Each entry is accompanied by stunning illustrations, bringing the terms to life and making the learning process more engaging. You'll find yourself captivated and eager to explore the next page as you uncover the stories behind each term.

The Wide Range of Entries

Brewology covers an extensive range of topics, ensuring that you can find information about almost anything related to beer. From classic beer styles like IPAs and stouts to unique ingredients such as sorghum and juniper berries, no stone is left unturned.

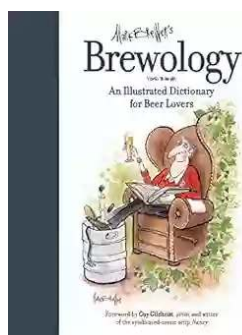

Each entry is not limited to a dry definition but also provides interesting facts, historical anecdotes, and tips for pairing or brewing the specific type of beer or ingredient. This wealth of information allows you to dive deep into the world of beer, satisfying both curious newcomers and experienced connoisseurs.

Exploring the Craft Beer Revolution

As craft beer continues to gain popularity worldwide, Brewology acts as a conduit for exploring this revolution. It helps you understand the nuances of the brewing process, the importance of different ingredients, and the art of pairing beer with various cuisines.

Gone are the days when beer was limited to light lagers and pale ales. With Brewology, you can discover lesser-known styles such as gose, lambic, and rauchbier. Expand your palate and broaden your horizons as you learn about the innovative techniques used by forward-thinking breweries around the globe.

Brewology: An Illustrated Dictionary For Beer Lovers is a must-have for anyone looking to deepen their knowledge and passion for beer. With its comprehensive coverage, gorgeous illustrations, and engaging writing, this dictionary brings the complex world of beer to life like never before. It will undoubtedly become your go-to resource as you embark on an exciting journey through the flavors, traditions, and artistry of brewing.

As Mark Brewer explains in his , "Beer is one of the oldest beverages known to man . . . and woman! In fact women were the first brewers since one of their primary responsibilities involved cooking. Years ago beer was considered a food as well as a drink. Beer provided many of the calories needed for one's daily diet. Dating back all the way to the fifth millennium BC, beer was recorded by the ancient Egyptian scribes, who also created an extra hieroglyph specifically for "brewer." Historians tell us that beer was used as a method to compensate

laborers who were building the pyramids. Perhaps more importantly, if an Egyptian man offered a woman a sip of his brew, they were betrothed."

Starting with an to the history of beer, this A–Z dictionary takes a humorous look at the various types of beer and common verbiage associated with it while educating the reader in the process. Covering everything from Abbey to Aging, Hops to Head Retention, and Skunky to Stout, Mark Brewer's *Brewology* is perfect for beer lovers everywhere.

Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
