Layering is another key to staying warm, and Jennifer knows just how to do it. She suggests starting with a base layer of thermal long-sleeve tops and leggings to keep the cold air out. On top of that, add a cozy sweater or cardigan, and finish off with a fashionable scarf and hat. By layering your clothing, you can easily adjust your comfort level throughout the day.

Winter Fashion Trends

Just because it's cold outside doesn't mean you have to sacrifice style. Jennifer Sattler believes that winter fashion can be both functional and fashionable. She

recommends incorporating trendy pieces, like over-the-knee boots or a chunky knit sweater, into your winter wardrobe. These statement pieces can elevate any outfit while keeping you warm and cozy.

Accessories can also play a big role in winter fashion. Jennifer suggests investing in high-quality gloves, earmuffs, and scarves made from materials like cashmere or wool. These accessories not only add an extra layer of warmth but also add a touch of luxury to your winter look.

Cozy Home Essentials

Staying warm isn't just about what you wear outside; it's also about creating a cozy and comfortable environment at home. Jennifer Sattler knows the importance of having the right essentials to stay warm indoors during the winter months.

Investing in a high-quality blanket, like a plush faux fur throw or a heavyweight knit blanket, can make all the difference when it comes to staying warm and cozy

on those cold winter nights. Jennifer also suggests using draft stoppers to prevent cold air from seeping in under doors and windows.

Winter isn't just about bundling up and staying indoors; it's also a great time to enjoy outdoor activities. Jennifer Sattler loves embracing the winter season and suggests trying out activities like skiing, snowboarding, or ice skating.

To stay warm during these activities, Jennifer recommends investing in proper gear, such as insulated jackets, waterproof pants, and warm accessories like gloves and hats. By dressing appropriately, you can fully enjoy these winter sports without freezing.
