2. Protection Spell

Take a white candle and carve a protective symbol, such as a pentagram or an eye, into the wax. Light the candle and visualize a shield of white light surrounding you or your home, keeping negative energy and harmful influences at bay. Allow the candle to burn out completely, sealing your protective intentions.

3. Healing Spell

Choose a blue or green candle to represent healing energy. Light the candle and focus on the area of your body or life that requires healing. Visualize vibrant, healthy energy filling the space and bringing balance and restoration. As the candle burns, imagine the negativity and illness being transmuted into positive healing energy.

4. Abundance Spell

Take a green or gold candle and carve symbols of wealth and abundance into the wax, such as a dollar sign or the word "prosperity." Light the candle and envision yourself surrounded by financial abundance and material prosperity. Feel the joy and gratitude as if you already possess all that you desire. Allow the candle to burn out completely, releasing your intentions into the universe.

5. Intuition Spell

Select a purple or white candle for this spell, representing intuition and spiritual guidance. Light the candle and focus on opening your third eye and connecting with your inner wisdom. Visualize a stream of divine knowledge flowing into your mind, enhancing your intuition and insight. As the candle burns, feel your psychic abilities expanding and trust your inner guidance.

Remember, candle magic spells are simply tools to enhance your intentions and focus your energy. It is important to approach witchcraft with respect and a genuine desire for positive change. Always practice in a safe and responsible manner, and remember that your actions have consequences.

Whether you are new to witchcraft or have been practicing for some time, candle magic can be a beautiful and transformative practice. The flickering flame and the

energy of the candle can help you to connect with your inner power and manifest your desires. So light your candles, set your intentions, and begin your magical journey.
