

# Child Poetry For Peace - Spreading Harmony Through Words

Peace  
by Sri Chinmoy

Peace we achieve  
when we do not expect  
anything  
from the world.  
But only give, give, and give  
Unconditionally  
what we have and  
what we are.

Child Poetry for Peace is an initiative that aims to inspire children to express their thoughts and desires for a peaceful world through the beautiful art form of poetry. It harnesses the power of words to ignite empathy, understanding, and unity among young minds, promoting peace and harmony from an early age.

Fareed Agyakwa's *A Child's Poetry for Peace* is full of evocative, sensory poetry, easy for a child to understand. Thrilling poetry that teaches children to love themselves and others, preaching kindness while rejoicing in nature's beauty and healing power. Deeply environmental in rendition, it explores what we have done to our beautiful planet despite the occurrence of scary typhoons, earthquakes, and mudslides unleashed at times. The book also deals with the split between Palestinian Arabs and Israeli Jews, but ends on a hopeful note, elevating the transformative value of peace, love, and togetherness.
