Understanding the Tangkis

Tangkis are individuals chosen by spirits to be their vessels. They possess exceptional spiritual abilities, allowing them to communicate with the divine. These mediums serve as intermediaries between the living and the spirits, offering guidance, healing, and protection.

Elaborate Rituals

The rituals conducted during spirit medium ceremonies are elaborate and captivating spectacles. In a mesmerizing display of devotion, the tangkis enter trances and become possessed by deities or spirits. This supernatural connection enables them to convey messages, perform healings, and enact religious rites for their believers.

Exploring Cult Practices

Our journey through the Chinese Spirit Medium Cults in Singapore takes us to hidden temples and secret ceremonies. Witness the burning of incense, chanting of mystical mantras, and the mesmerizing dance of devotees. Feel the spiritual energy in the air as the tangkis connect with supernatural forces beyond our comprehension.

The Controversy Surrounding Spiritual Cults

While Chinese Spirit Medium Cults offer solace and a sense of belonging to many, they have not escaped controversy. Some argue that these cults exploit vulnerable individuals, promoting superstition and misleading beliefs. Others defend them as essential cultural heritages that should be respected and celebrated.

Captivating Stories and Personal Accounts

Prepare to immerse yourself in a collection of captivating stories and personal accounts from individuals who have experienced the rituals, magic, and healing powers of Chinese Spirit Medium Cults firsthand. These narratives will transport you into a realm where the boundary between the physical and spiritual dissolves.

The concentration of this monograph on Chinese spirit mediumship in Singapore is chiefly a device for focussing attention upon the most typical, although rather extreme, manifestation of the major religious orientation of the overseas Chinese. The accounts given here may chiefly be of value as a detailed record of religious rites, but it is hoped that the rites, shown in their institutional context, can also throw some light upon the wider ramifications of culture and society among the Chinese
