A Sinister Puppeteer

The central character of the series is Emily Stevens, a brilliant yet haunted detective who embarks on unraveling these unsolved mysteries. As she delves deeper into the tangled web that covers the city, Emily soon realizes that there is a sinister puppeteer orchestrating these crimes, hidden beneath the veneer of Cambridge's esteemed society.

With each murder, a new piece of the puzzle emerges, leading her down paths she never anticipated. The storylines intertwine history, myth, and imagination to create a concoction that keeps readers on the edge of their seats.

Unveiling Unique Characters

Accompanying Emily Stevens on her quest for truth are a host of other vibrant characters that add depth and intrigue to the series. From enigmatic professors to secretive librarians, each character possesses a unique backstory that intertwines with the overall narrative.

Readers find themselves questioning the intentions and motivations of each character, never fully knowing who to trust. As connections between the murders,

Cambridge's dark secrets, and its inhabitants are revealed, the character development keeps readers eagerly turning the pages.

The Art of Mystery

"Cursed: The Cambridge Murder Mysteries" is an exquisite blend of mystery, suspense, and historical fiction. The narrative seamlessly incorporates elements of Cambridge's rich past, layering it with an aura of foreboding and suspense.

The author's descriptive prose transports readers to the atmospheric streets of Cambridge, where ancient buildings whisper their secrets and shadows hide unspeakable truths. Every page is laden with clues, red herrings, and misdirection, keeping readers guessing until the final reveal.

The Allure of Conspiracy

One cannot escape the allure of conspiracy when delving into the depths of Cambridge's untold stories. The series introduces readers to secret societies, hidden codes, and the possibility of a vast cover-up that spans centuries.

With each chapter, the protagonist pulls at the tangled threads of these conspiracies, determined to expose the truth. Readers become enthralled in not only solving the individual mysteries but also piecing together the grand puzzle that connects them all.

The Legacy Continues

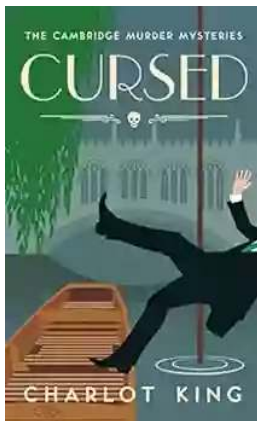

"Cursed: The Cambridge Murder Mysteries" is more than just a series of captivating murder mysteries. It is a testament to the enduring fascination humans have with unsolved crimes, secrets, and the infinite complexities of our history.

Hugely popular author makes this beautiful historic city of Cambridge, England, leap off the page, with the eccentric Professor of poisons, Elizabeth Green, in this English crime fiction series.

What the fast-growing number choosing the popular Cambridge Murder Mysteries have to say

“More fabulous intrigue from @queencharlot Charlot King in her new book Cursed, a classic Cambridge Murder Mystery!’ Cambridge Literary Festival @camlitfest Twitter

“If you love #Cambridge and enjoy murder/mysteries, try Charlot King’s Cursed. A good sequel to Poison” Dr Trevor Bolton. Pro Vice Chancellor Anglia Ruskin University, Cambridge @trevorbolton15 Twitter

The plot The porters at All Saints’ College, Cambridge, feel under threat from a stone of death. Witchy spells, hate mail and buckets of flour over the Porters’ Lodge. Are these just harmless student pranks or are they in real danger? Inspector Abley’s mind is elsewhere, so Professor Elizabeth Green starts to dig out clues to help Sergeant Lemon, but can’t solve the mystery before the death of a porter.

With a famous stone also going missing, will Professor Green be able to unravel the mystery before another porter dies? She enlists the help of her hapless grandson Godric

Readers who love a traditional English backdrop will enjoy Cursed as Cambridge bleeds through every page. The Cambridge Murder Mysteries are set in the heart

of Cambridge, England, featuring a vegan and animal-loving sleuth Elizabeth Green, and her sidekicks Inspector Abley and grandson, Godric

The Series The Cambridge Murder Mysteries series feature an amateur sleuth Professor Elizabeth Green, and her sidekicks Inspector Abley and grandson, Godric. As the series unfolds, we learn more about these characters.

If you like crime fiction, murder mysteries, whodunnits, women sleuths, traditional British detective stories, then you might like these books in the series: Bk1 'Poison', Bk2 'Cursed', Bk3 'Blood Moon', Bk4 'A Christmas Mystery', Bk5 'Valentine's Day – Kiss of Death', and the novella 'Christmas Eve in Grantchester'.

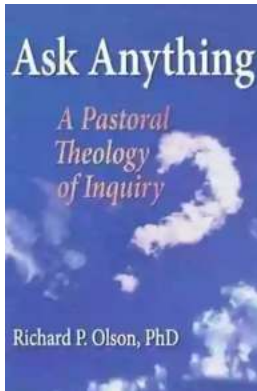

Or, if you just like a good mystery set in Cambridge with all the quirky peculiarities of the English, then the Cambridge Murder Mysteries might be for you too.

If you enjoy intelligent storytelling, strong and vulnerable characters with twists and turns of the plot, then you'll love the puzzles of these whodunnits.

Charlot's fondness for Cambridge is replicated in her series, which has been described as evocative and authentic of this historic English city.

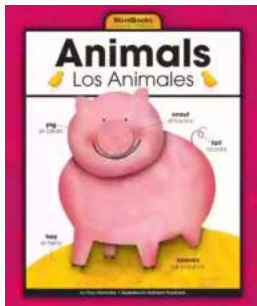

And what of Professor Elizabeth Green? In her fifties, this female protagonist woman sleuth is quintessentially English. An eccentric professor in her ivory tower, she maintains a sharp wit, yet is flawed by her inability to connect well with people, instead giving off a cold, opinionated and sometimes acerbic air. Though very kind to all animals (dogs, cats and the rest!) - a vegan - and a great gardener, in truth she keeps her friends close, and only lets a few dear people into her world.

Pick up this page-turning whodunnit series in the tradition of Agatha Christie and Miss Marple, Colin Dexter and Inspector Morse or Dorothy Sayers and Lord Peter Wimsey, and a murder mystery fuelled by poison in the dark alleys of Cambridge today!
