Spanish food is most often associated with chorizo, cured ham, and other meat tapas.

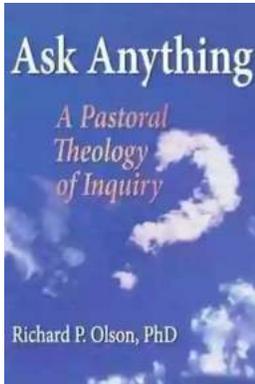

But cheer up, because there are also plenty of vegetarian-friendly dishes to choose from.

This book is broken into five sections:

- Soups and Stews: Spanish food features a ton of great soups and stews ranging from cold and refreshing gazpacho to warm, comforting spinach and garbanzo stew.
- Sauces: Learn a collection of powerhouse Spanish sauces including bravas sauce, mojo picon, and romesco.
- Faux Meats: Spanish food leans heavily on its unique meats and sausages, but

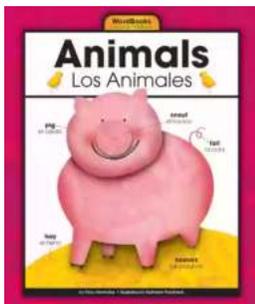

this section includes vegan versions of Spanish chorizo, morcilla, and albóndigas.

- Tapas: Everyone associates Spain with tapas, and you'll be able to throw a huge vegan tapas bash with this section's recipes, which feature patatas bravas, tortilla de patatas (an "egg" and potato omelet), eggplant rolls, and Spanish potato salad.
- For Dinner: For full Spanish meals, look no further than the paella, cocido (winter stew), stuffed eggplants, and more in this section.
