

Discover Your Chinese Zodiac Animal and Unveil Your Inner Traits!

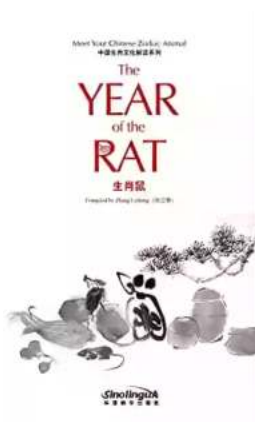

Chinese astrology has been a part of the Chinese culture for thousands of years, providing insights into one's personality based on their birth year. The Chinese zodiac, also known as Shengxiao, is a twelve-year cycle represented by different animals. These animals are believed to have a profound influence on a person's life, character, and destiny.

The Origin of the Chinese Zodiac

The Chinese zodiac has a fascinating origin story that dates back to ancient times. According to legend, those born in a particular year were assigned an animal to represent them based on their attributes and characteristics. The order of the animals in the zodiac cycle was determined by the mythical Great Race.
