Beloved Coretta Scott King Award–winning storyteller and creator Ashley Bryan reveals the vibrant spirit of found objects in this magnificent treasury of poetry and puppets.

Little Cranberry Island. It's a small island, with fewer than a hundred inhabitants, but it's got more than its share of treasures—including the magnificent Ashley Bryan himself, a world-renowned storyteller and author of such classics as *All Night*, *All Day* and *Beautiful Blackbird*. Daily, for decades, Ashley has walked up and down the beach, stopping to pick up sea glass, weathered bones, a tangle of fishing net, an empty bottle, a doorknob. Treasure.

And then, with glue and thread and paint and a sprinkling of African folklore, Ashley breathes new life into these materials. Others might consider it beach junk, but Ashley sees worlds of possibilities.

Ashley Bryan's two-foot-tall hand puppets swell with personality and beauty, and in this majestic collection they make their literary debut, each with a poem that tells of their creation and further enlivens their spirit.
