This spirited picture book celebrates Native American traditions as it teaches young children to count from one to ten.

The whimsical illustrations of Ten Little Rabbits, reminiscent of Beatrix Potter, glow with brilliant color and are filled with fascinating detail. Each number introduces a facet of traditional Native American culture, such as Pueblo corn dances or Navajo weaving, and the simple, rhyming text is enhanced by a brief afterword on Native American customs. Ideal for story time or bedtime, this is a book sure to leave children counting rabbits instead of sheep.
