Your first 1,000 German words - five words a day.

Over the course of a year, *German for Everyone Junior: Five Words a Day* teaches new vocabulary to children who are starting to learn German. Presenting 20 new words between Monday and Thursday, the final day of each week's teaching allows children to practice the vocabulary they have just learned.

A mix of nouns and verbs are taught through beautifully illustrated scenes, with each new word clearly labeled. *Five Words a Day* first encourages children to copy out the words before covering them with the flaps on the jacket and testing their new knowledge. Accompanying audio means that children are also able to practice their German pronunciation as many times as they want.

With over 1,000 German words, *Five Words a Day* is a colorful, clear, and comprehensive workbook that will lay the foundations for your child's journey in learning and understanding German, at school or at home.
