Why Franklin Fox Forest?

Many children find it challenging to grasp the abstract concepts of numbers in a traditional classroom setting. Franklin Fox Forest addresses this issue by creating a stimulating environment where numerical concepts are presented in a fun and interactive way.

The forest is inhabited by delightful characters like Franklin Fox, a friendly fox with a passion for numbers, who guides children through various adventures. Alongside Franklin Fox, children can embark on exciting quests, solve puzzles, and complete challenges that reinforce their understanding of arithmetic operations, number patterns, fractions, and more!

Engaging Activities and Games

Franklin Fox Forest offers a wide range of activities and games that cater to different learning styles and abilities. From interactive quizzes and memory

games to creative storytelling and animated videos, there is something for every child to enjoy.

For kinesthetic learners, there are physical games and outdoor exploration activities where kids can count, sort, and measure objects in the enchanting forest. Visual learners can benefit from colorful illustrations, charts, and graphs that bring numbers to life, while auditory learners can engage with narrated stories and catchy songs that make learning an auditory delight.

Benefits of Franklin Fox Forest

By immersing themselves in the world of Franklin Fox Forest, children can experience a multitude of benefits:

- Increased interest and enthusiasm for mathematics
- Enhanced problem-solving and critical thinking skills
- Improved number sense and fluency
- Boosted confidence in tackling mathematical challenges
- Developed spatial reasoning and logical reasoning abilities
- Stimulated creativity through imaginative gameplay
- Encouraged teamwork and collaboration through multiplayer games and activities

Franklin must take a little hike
to get to his bear friend, Ben.
Can you count the things he see's,
starting with one to ten?

GO ON A JOURNEY in the autumn weather with Franklin the Fox as he takes a walk to meet his friend Ben. Count with him as he finds fruits, animals, and more

along the way. This rhyming book will teach little ones to count from one to ten, while also introducing things you can find outside. Give this cute book as a gift or add to your little ones collection.
