Would you love to learn German or improve your knowledge of the German language? If you would, then keep listing!

With over 112 million speakers spread across 38 countries, German is one of the world's most spoken languages. It is considered the language of poets and thinkers because some of the most brilliant minds in history spoke German - such as Nietzsche, Humboldt, Marx, and Kant.

Do you want to learn German - and learn it well?

Do you want to learn it from native speakers who understand all the nuances and intonations that come only from being a native speaker of a language?

Do you want to be able to speak German without sounding robotic and, well...strange?

If you do, this audiobook has everything you need to learn German the right way, i.e., learning it by listening to real German speakers who use the language in everyday conversation!

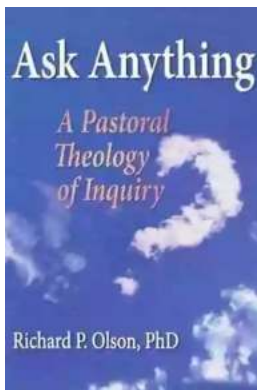

Here is what you will find in the audiobook:

- German stories that touch on a variety of topics
- Vocabulary at the end of every story to help you understand the meaning of different words being used
- Powerful tips and tricks that will help you grasp what is being said and that you can use in your everyday situations
- And there is much more!

You will realize that speaking German like a native is not as hard as you may have thought. Everything is simple and exciting - and will make you want to keep going!
