

Dislodging Demons: A Systematic Approach to Deliverance Ministration

Have you ever encountered a situation where the struggles in your life seem to have an unexplainable spiritual origin? It is believed by many that demons can influence and control human behavior, causing distress and hindering personal growth. This article will explore the systematic approach to deliverance ministration, a powerful method aimed at dislodging demons and bringing spiritual relief to individuals.

The Reality of Demonic Influence

Throughout history, various religions and belief systems have acknowledged the existence of malevolent spirits known as demons. These entities are believed to operate on a spiritual plane, interacting with humans and affecting their lives in destructive ways. While beliefs about demons may differ, many religious traditions teach that these beings have the ability to possess individuals, leading to a range of negative consequences.

Deliverance ministration, also known as exorcism, is a practice aimed at combating and dislodging these malevolent spirits. It involves a systematic approach that combines spiritual knowledge, prayer, and counseling to bring about freedom from demonic influence.

The Systematic Approach to Deliverance Ministration

Effective deliverance ministration requires a well-defined and systematic approach. Here are the key steps involved:

Identification:

The first step is to identify the signs of demonic influence or possession. These signs may include unexplained physical or psychological ailments, consistent negative thought patterns, sudden changes in behavior, or persistent feelings of fear and darkness. It is crucial to exercise discernment and seek guidance from experienced spiritual mentors or professionals.

Preparation:

Before engaging in deliverance ministration, individuals involved should prepare themselves spiritually. This involves fasting, prayer, studying relevant scriptures, and strengthening their personal connection with a higher power. It is essential to create an environment that invites the divine presence and safeguards against potential backlash from the demonic realm.

Engagement:

During the deliverance ministration, the individual seeking help and the deliverance minister work together to address the demonic influences. This process often involves intense prayer, invoking the name and authority of a higher power, and commanding the demons to leave the person's body or mind. It is important to maintain a strong sense of faith, resilience, and perseverance during this stage.

Follow-Up:

After the deliverance ministration, it is essential to provide adequate support to the individual. They may require counseling, further spiritual guidance, or additional prayers to strengthen their newfound freedom. Regular follow-up sessions can help monitor their progress and ensure the absence of any residual demonic influences.

The Role of Faith and Prayer

Throughout the systematic approach to deliverance ministration, faith and prayer play a central role. Belief in a higher power and the authority given to the minister are crucial elements in combating demonic influences. Prayer serves as a communication channel between the human and divine realms, inviting spiritual intervention and providing strength during the process.

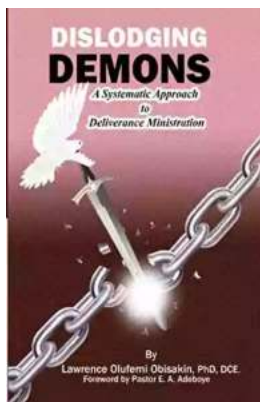

Seeking Professional Assistance

It is important to understand that deliverance ministration requires expertise and experience. Engaging in this practice without proper knowledge and guidance can be dangerous and ineffective. Seeking assistance from trained deliverance ministers, counselors, or spiritual leaders is highly recommended to ensure a safe and successful deliverance ministration.

The Power of Dislodging Demons

Dislodging demons through a systematic approach to deliverance ministration can bring tremendous spiritual relief. Individuals who have experienced deliverance often report feeling lighter, freer, and more aligned with their higher purpose. Breaking free from demonic influences can pave the way for personal growth, healing, and a renewed spiritual journey.

Dislodging demons through a systematic approach to deliverance ministration is a powerful practice that can help individuals find freedom from spiritual oppression. This method combines faith, prayer, and a well-defined process to address the influence of malevolent spirits. It is crucial to seek professional assistance and approach deliverance ministration with caution. With the right guidance, this approach can bring spiritual liberation and open doors to a brighter future.

‘This spirit-filled book by Pastor OBISAKIN is the perfect paradigm shift in the ministry of deliverance, is a must read for anyone that desires to have a free,

progressive and impactful life. It is a much needed manual for today's time.'

Pastor John F. Odesola ASST Gen Overseer, RCCG

'I reviewed the book, Dislodging Demons – A systematic Approach to Deliverance ministration by Ambassador Obisakin is very factual, unique and practical exposition of demonic activities in the spiritual realm. The book highlights demonic and spiritual warfare/attacks against Christians....indeed, against all humanity. These spiritual attacks are often referred to as witchcraft activities. Witchcraft in this context is the spiritual force that Christians feel when under demonic attack or assignments through power of words or controlling actions such as strong confusion, wanting to give up and or when they suffer depression. It is an excellent book for readers who want to understand with clarity the complexity of demonic activities. Knowledge, sometimes, is a prerequisite for safety.

–Pastor Adebisi Oyesile, PhD., D.Min, RCCG Chapel of Hope, New York,

‘The book is a homework well done. it beats my imagination. I met more than I expected.’ -Esther Arewa, Asst. Director MFA, Abuja

‘Reading a book from a scholar who is a practicing preacher gives a double fold blessing to the end user. Dislodging demon: A systematic approach to deliverance ministration by Pastor Lawrence Olufemi Obisakin is teacher's manual and a guide to any serious minded deliverance minister. You cannot give what you don't have. You need inner strength and a backing that is extraordinary to dislodge demon. In a world that is daily changing due to demonic manipulation there is need to build an anchor in Jesus our sure foundation.’

-Pastor A. Dele Babade, Pastor in Charge of RCCG Province, FCT 4, Abuja, Nigeria.

'..a complete, unique, factual, practical and didactic exposition on the subject of "Deliverance". I thank God for the availability of such a master-piece of writing in Christendom at this time ...'

Pastor Dr. Mrs Cecilia Gbemi OBISAKIN, wife of author.

'The author has delved into the subject of deliverance in a painstaking manner. The theory and practice of the matter have been well highlighted and issues pertaining to post deliverance treated, as they should. This book will add to our existing knowledge of the subject and will enrich our bookshelf.

-Pastor E.A Adeboye General Overseer, The Redeemed Christian Church of God.
