Welcome to my book.

Develop your Japanese listening skills, expand your Japanese vocabulary, and improve your Japanese pronunciation with the book Expand your Japanese vocabulary by 141 topics.

Studying Japanese seems to be a hard task, especially when it comes to the nature of the Japanese language. However, that is the wrong assumption. Any language can be learned if you know the right learning way.

It has been shown that one of the most effective ways to learn a language is by learning vocabulary. Vocabulary is the "ingredient" to be able to create communication. Having a rich vocabulary will help you a lot in school, at work as well as in society, especially to help you communicate fluently.

The salient points of the book “Expand your Japanese vocabulary by 141 topics” are:

□ It contains 141 topics about everyday situations, with over 4000 common Japanese words such as personal information, home, school, daily activities and so on.

□ Each topic is independent, so it can be used or not in any order

□ It is also used as a comprehensive communication skills program, combined with vocabulary learning, listening and speaking skills, and topics for writing and discussion

What you will get from the book “Expand your Japanese vocabulary by 141 topics”:

□ Master over 4000 Japanese words: from daily topics to a wider range of topics covering the world around us.

□ Improve your listening skill with the audio files.

□ Be confident in your Japanese language skills after a few weeks **ONLY**

□ Become good at Japanese pronunciation: Follow the narrator’s speech and mimic the correct pronunciation.

For learners' convenience, Topics are listed in the Table of Contents, allowing learners to quickly and easily locate all words and topics in this book. On the cover of the book, you can scan the QR code to download the audio files.
