Over the years, the highway witnessed numerous changes, including realignments and improvements in infrastructure. Today, Oregon Highway 99 still reflects its rich history and continues to offer an unparalleled travel experience.

Scenic Delights Along Oregon Highway 99

As you embark on your adventure along this picturesque highway, you'll be treated to awe-inspiring scenery at every turn. From rolling hills and fertile farmlands to serene rivers and majestic mountains, Oregon Highway 99 is a haven for nature enthusiasts and photographers alike.

A prominent highlight along the route is the mesmerizing Willamette Valley, renowned for its vineyards and bucolic landscapes. Take a moment to savor the sight of endless vine rows stretching toward the horizon, casting a golden hue

under the sun. Oregon's verdant beauty truly shines through in this part of the highway.

Further down the road, you'll encounter the enchanting Silver Falls State Park, home to astounding waterfalls and lush forests. Allow yourself to be captivated by the sound of rushing water and bask in the cool mist that emanates from these cascades. This natural wonder is a paradise for hikers and nature lovers, offering an escape from the hustle and bustle of everyday life.

Continuing the journey, Oregon Highway 99 takes you through the awe-inspiring Columbia River Gorge. The majestic peaks that frame the mighty Columbia River leave visitors in awe, revealing the sheer power and grandeur of nature. Be prepared to come across countless viewpoints that offer breathtaking panoramas, inviting you to capture these moments forever with your camera.

Aside from the stunning landscapes, Oregon Highway 99 is also dotted with charming towns that are worth exploring. From historic Grants Pass to quaint Phoenix and vibrant Eugene, each town tells a unique story about its past and present. Immerse yourself in the small-town atmosphere, where friendly locals welcome you with open arms.

From the Columbia River to the Siskiyou Mountains, Highway 99 traverses 300 miles of western Oregon. Big cities and small towns, the level Willamette Valley and steep hills, rich agricultural lands and tall evergreen forests, and rushing rivers all lie along its path. Arising from an early network of emigrant trails, stagecoach routes, and farm-to-market roads, the highway had developed into Oregon's major transportation corridor by the end of the 19th century. The dawn of the automobile age saw an exponential increase in traffic, creating a greater demand for improved roads; these better roads, in turn, created yet more traffic for both business and recreation. Roadside businesses, such as auto courts, restaurants, and service stations, sprang up along the highway to cater to a new type of motorist--the tourist. Today, much of Highway 99 and its predecessor, the Pacific Highway, remain in daily use.
