Serwa lives in a small village deep in the heart of Africa. Each day she rises before dawn and walks many miles to the water hole to gather the water for the days' meals and chores.

It is a long and dangerous journey that she must undertake everyday just to ensure survival.

Thousands of miles away, Ellie, ican, Gadget, Chip and Bill are playing the "where in the World game". They pick a letter and try to find out more about a country and its culture beginning with the letter they have chosen.

Coincidentally, that day, they pick the letter "Z" for Zambia. Then they learn the plight of the women of the remote villages in Zambia, who walk every day for many hours just to collect water.

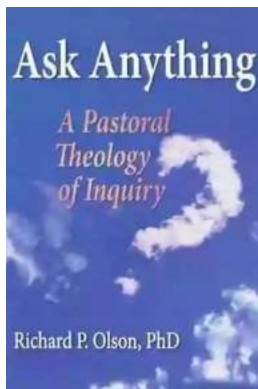

They know they must do something to help these poor people.

How can I and friends solve this challenge?

Can they improve the lives of these native people?

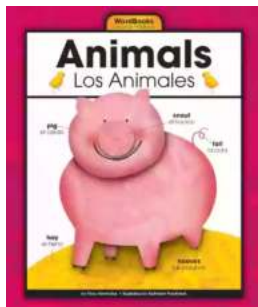

To do so, they will have to think of something pretty special. Do you think they can do it?

All will be revealed in this tale of the “Magic Roundabout.”
