- Using Jira boards and Agile methodologies
- Mastering issue tracking and reporting
- Integrating Jira with other tools and platforms

With hands-on exercises, real-world examples, and practical tips, the Jira Strategy Admin Workbook will equip you with the skills and confidence to take full control of your projects. You will gain insights into best practices, troubleshooting techniques, and advanced customization options that will save you time and effort.

The Benefits of Jira Strategy Admin Workbook

By mastering Jira through the guidance of the Jira Strategy Admin Workbook, you will unlock numerous benefits for your projects and organization. Some of the key

advantages include:

1. Improved project coordination and teamwork
2. Enhanced visibility into project progress
3. Streamlined task management and issue tracking
4. Efficient resource allocation and workload balancing
5. Seamless collaboration with internal and external stakeholders

These benefits will not only lead to increased productivity but also greater satisfaction among team members and stakeholders. With a clear understanding of Jira and its capabilities, you can effectively align project goals, identify and address bottlenecks, and deliver high-quality results.

Who Can Benefit from Jira Strategy Admin Workbook?

The Jira Strategy Admin Workbook is designed for anyone involved in project management, whether you are a project manager, team lead, developer, or Scrum master. If you work in an Agile environment or have adopted Jira for your project management needs, this workbook is a must-have resource.

Even if you are just starting out with Jira, the workbook provides a structured learning path that will guide you from the basics to advanced strategies. The hands-on approach ensures that you not only gain theoretical knowledge but also apply it to real-world scenarios, allowing you to achieve immediate results.

Take Your Project Management Skills to the Next Level

Investing in the Jira Strategy Admin Workbook is an investment in your professional development and the success of your projects. By leveraging the

power of Jira, you can take your project management skills to the next level and overcome the challenges that hinder progress and efficiency.

Whether you are working on software development, marketing campaigns, or any other project, Jira Strategy Admin Workbook will equip you with the tools and knowledge you need for effective project planning, execution, and delivery.

Don't let project management headaches hold you back. Embrace Jira Strategy Admin Workbook and become a master in project management today!

JIRA Strategy Admin Workbook: Templates for the application administrator to set up, clean up, and maintain JIRA by Rachel Wright([Print Replica] Kindle Edition)

★★★★☆ 4.4 out of 5

Language : English

File size : 8213 KB

Print length : 296 pages

The JIRA Strategy Admin Workbook will save you time, money and frustration. This book is different – it's not documentation. It's recommendations from years of cleaning up horrible JIRA configurations!

The book is not version specific!

This workbook contains:

- 152 recommendations to help you set up, clean up, and maintain JIRA,
- 50 worksheets, plus additional templates, code snippets, and wording samples to help you establish and streamline vital processes,

- 33 real examples of problems to avoid,
- best practices and dos and don'ts for each administrative area,
- the top 10 mistakes I made as an administrator, and
- content not available anywhere else.

This workbook shows you:

- actions for a well-planned implementation,
- simple ways to streamline administration,
- how to audit and clean up the application,
- ways to maintain and extend JIRA,
- how to create repeatable procedures, and
- how to stay out of the “JIRA swamp”.

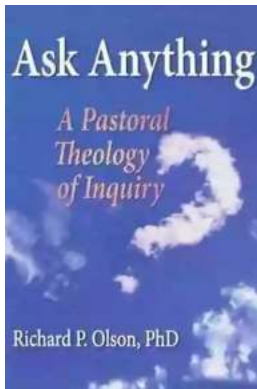

Who This Book Is For

If you're a new Administrator, or your company is just getting started with JIRA, this book will show you what actions to take up front, so you can have a well-planned and easy to maintain tool. If your company has been using JIRA for a while, this book will show you simple ways to streamline your instance and make daily work more manageable.

This book is written for the:

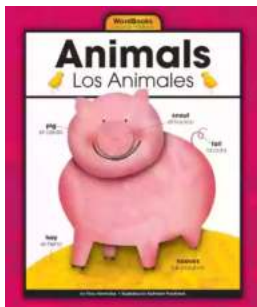

- part-time Application Administrator who helps out with JIRA in addition to your "official" role;
- full-time Application Administrator for JIRA or the Atlassian product suite;

- Project Manager, Business Analyst, or other team member, who needs JIRA to fit the needs of your teams; or the
- Systems Administrator or Database Administrator who supports many different internal company tools.
