Dr. Evans emphasizes several key principles for effective Kingdom stewardship:

- **Ownership:** Recognizing that everything we have ultimately belongs to God. We are mere stewards entrusted with His resources.

- **Accountability:** Understanding that stewardship requires answering to God for how we manage His resources.
- **Intentionality:** Being purposeful and deliberate in our stewardship, ensuring every decision aligns with God's kingdom values.
- **Generosity:** Cultivating a generous heart and willingly sharing resources with others in need, reflecting God's abundant love.
- **Eternal Perspective:** Looking beyond temporary gains and focusing on investments that yield eternal rewards.
