About The Book

This first volume of a 3-part series is both an autobiography and a memoir of old pre-war Ermita. It covers the period between 1922, the start of what Nick Joaquin called Manila's "most glittering decade" and 1945, the destruction of Manila. The gentility of pre-war Ermita makes for dramatic contrast to the brutality of the battle that destroyed it.

Using flashbacks and fastforwards, Mrs. Nakpil provides historical background and foreground to the highly personal account of her early years and family history. This book also describes the cultural frame, the manners, and morals, gossip and intrigue of a small Filipino town on Manila Bay during the first half of the 20th century and it does so with humor and also sorrow over its tragedy.

Reviews for Myself, Elsewhere

"Powerful, authentic -- a look back at the way people lived, loved, even hated," ---
Manuel Quezon III.

"All the passion, intrigue and action to make a great movie" ---Film director Chito S. Rono.

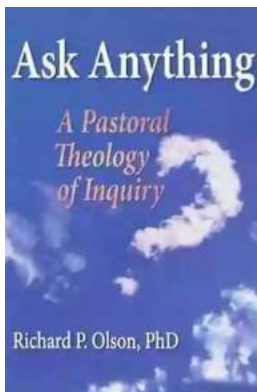

"The memoir does more than show us the way we were. It also captures a state of mind long vanished." -- Film director Peque Gallaga

"There is simply enough material here for a 'War and Peace'." -- Writer Adrian E. Cristobal.

"As many-layered and as rich as a millefeuille or a sans rival slice. Not only is it autobiography and memoir but also history, social commentary and a priceless snapshot of a lifestyle and an era in a district (la Ermita) whose tiny size belied its stellar role in antebellum Manila. Indeed, the book is not simply a compilation of

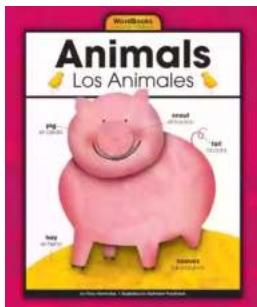

previously published essays, but a riveting, totally original and candid revelation, (in her own words, she has “opened a vein”) of a privileged youth but also of painful memories involving the destruction not only of a way of life but also of lives unnecessarily wasted and traumatized in a horrific war." - Ambassador Virgilo Reyes, Jr., Pretoria, South Africa, 2007.

"Crisp, clear and compelling prose teleports the reader to the optimistic era of Manila from the 1920s to the '40s. This dexterous bit of time-travel enriches the book's narrative, making it both fond and yet reflective, a gambit of symphony." -- Ruel S. de Vera, Philippine Inquirer, February 23, 2007
