Comedy classes should be offered to every student in the world. Simply playing improv comedy teaches creative writing, critical thinking, public speaking, listening, focus, self confidence and even empathy. Walt Frasier uses the same games to teach corporate groups team building, leadership/management, sales and customer service. His mission is to set-up kids & teens for success in life by introducing these programs. He works with thousands every year in schools, camps, community centers and his own Times Square NYC Comedy School.

Get the arts back into schools better than ever with Improv. Compared to traditional theater arts programming, students are performing on day one. There is nothing to memorize. There is no overhead for script royalties, props, sets or costumes. Every one is featured.. No one is relegated to secondary characters, ensemble or tech. Improv can be performed easily online and with social distancing. It's even more without the current restrictions.
