Are your conversations in Chinese suffering due to a lack of vocabulary? Do you have no idea how to order a meal in Beijing or book a room at a Shanghai hotel?

If your answer to any of the previous questions was ‘Yes’, then this book is for you!

If there’s even been something tougher than learning the grammar rules of a new language, it’s finding the way to speak with other natives in that tongue. Any student knows this – we can try our best at practicing, but you always want to avoid making embarrassing mistakes or not getting your message through correctly.

Until now.

We have compiled OVER ONE HUNDRED conversational Chinese stories for beginners along with their translations, allowing new Chinese speakers to possess the necessary tools to begin studying how to set a meeting, rent a car or tell a doctor that they don’t feel well. We’re not wasting time here with conversations that don’t go anywhere: if you want to know how to solve real-life problems (while learning a ton of Chinese along the way), this book is for you!

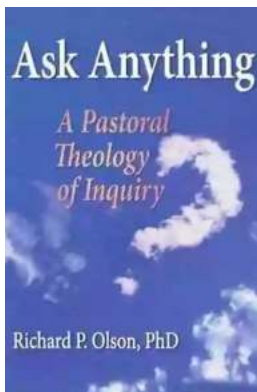

How Conversational Chinese Dialogues works:

- Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life.
- A Chinese (Mandarin) version of the conversation will take place first, followed by an incredibly useful Hanyu Pinyin romanization. This system allows you to fully identify the correct pronunciation of Chinese characters, which are typically tough for non-Chinese speakers to read!

- Accurate English translations follow each Chinese conversation, providing you with the opportunity to understand everything that has been said.
- A helpful and that will offer you important strategies, tips and tricks to allow you to get the most out of this learning material.

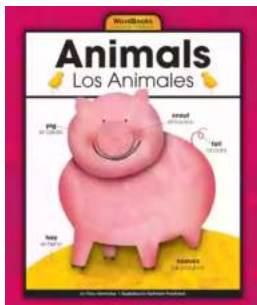

We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles!

So, look no further! Pick up your copy of Conversational Chinese Dialogues and start learning Chinese right now!
