In the current age where technology dominates our lives, Palmistry In Your Own Words 3rd Edition brings back the traditional wisdom of palmistry in a concise and accessible manner. Unlike generic palmistry books, this edition is written in a conversational tone, making it a relatable and engaging read for beginners and enthusiasts alike.

What's New in the 3rd Edition?

Palmistry In Your Own Words 3rd Edition is an updated and expanded version of the previous editions. It includes more illustrations, explanations, and examples to help you better understand the intricacies of palmistry. Whether you are just starting or have dabbled in palmistry before, this edition has something to offer.

The book dives deep into various aspects of palmistry, providing insights into personality traits, love and relationships, career prospects, health indicators, and much more. Each chapter is carefully crafted to address specific areas of interest, allowing readers to explore the facets of palmistry that captivate them the most.

Unlock the Secrets of Your Hands

The power of *Palmistry In Your Own Words 3rd Edition* lies in its practical approach to understanding the secrets within your hands. By presenting real-life stories and examples, the book makes palmistry relatable and tangible in a way that connects directly to your own experiences.

The extensive illustrations featured in the book provide a detailed guide to interpreting the intricate lines and shapes on your palms. From the iconic life line to the mysterious mount of Venus, you will unravel the hidden meanings behind each element of palmistry.

Each page of *Palmistry In Your Own Words 3rd Edition* is designed to make you an active participant in your own palmistry journey. It encourages you to analyze your own hands as you progress through the book, allowing for a personal exploration of self-discovery.

Why Palmistry In Your Own Words 3rd Edition is a Must-Have

Here are some of the reasons why this edition stands out among other palmistry guides:

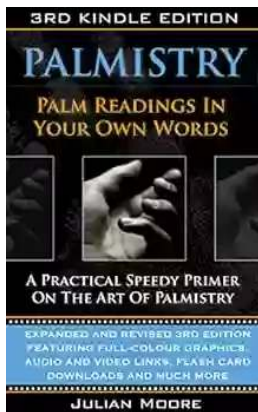

- **Conversational Tone:** The book is written in easy-to-understand language, making it accessible to readers of all backgrounds.
- **Comprehensive Coverage:** It explores a wide range of palmistry topics, ensuring that readers gain a holistic understanding.

- **Engaging Examples:** Real-life stories and examples make the concepts relatable and applicable.
- **Visual Guidance:** The illustrations provide clear visual references for interpreting palmistry elements.
- **Personalized Journey:** The book encourages readers to actively analyze their own hands, promoting self-reflection and personal growth.

Start Your Journey Today

Ready to unlock the mysteries hidden within your hands? Palmistry In Your Own Words 3rd Edition will be your trusted companion on this exciting journey. With its engaging content, accessible language, and practical approach, this book will transform the way you perceive palmistry.

Get your own copy of Palmistry In Your Own Words 3rd Edition today and embark on a path of self-discovery like never before.

KINDLE 3RD EDITION WITH FULL COLOUR GRAPHICS, REVIEW QUESTIONS, VIDEO LINKS, AUDIO LINKS AND FOUR FULL PRACTICE HAND READINGS WITH EXPLANATIONS

Also includes everything else you'd expect from the Cold Reading Company. On registration you will receive a PDF download of the ten flash cards (now in full colour), a high resolution PDF of all four practice hands, links to all MP3 audio used in the book and as an added bonus the FULL MP3 audiobook of the 2nd Edition.

Please use the 'look inside' feature on Amazon to see graphics examples, video links and review questions.

In Speed Learning ~ Palm Readings In Your Own Words 3rd Kindle Edition, Julian Moore teaches the basics of palmistry using proven techniques which mean that you could be reading palms in less than 48 hours! This ebook and ten accompanying FLASH CARDS can get you up to speed quicker than you ever thought imaginable, while still creating your own style and being true to yourself. Unlike the 2nd edition, the 3rd kindle edition now features full colour graphics, video descriptions of each chapter, audio links, review quizzes and more!

Speed Learning ~ Palm Readings In Your Own Words shows you how to give REAL readings that CONNECT with people.

A FEW REVIEWS OF THE 2ND EDITION

"After reading Julian's book, and going through the flash cards a couple of times, I have a practical knowledge of palm reading that I didn't have 48 hours ago. My progress is clear and tangible. Today, I was able to improvise a palm reading session with one of my regular clients, and it went very well. I'm excited! That's

why I'm writing this review, hoping that some of you also take advantage of this beautiful tool that Julian is sharing with us."

Enrique Enriquez

"Such an easy guide to use. You can start reading palms in just a week! It gives you tips on how to actually give a reading that makes sense to a client rather than just remembering the lines. Definitely recommend to beginners and experts alike."

Dragon Witch

"The very best, practical book on palmistry I have ever read. Like the rest of Mr. Moore's work, it is all practical, useable stuff. In a very short space of time, you will be giving VALUABLE readings, making your client (and their friends) wanting more. If you want to learn palm reading, seriously look no further, as it is all here.

This book explains more about how to communicate the reading to make it make sense to the client, and also more enjoyable, very, very few books on the subject ever cover this. It's all good knowing about the marks and their names, but completely useless if you don't. Also, you only have to look at some of the names that have read and used this material, Richard OSTERLIND and Craig BROWNING to name but to. This will be your go-to reference book."

Andrew T. Poulton

"An engaging and concise guide to Palm reading for the very beginner. I particularly enjoyed:

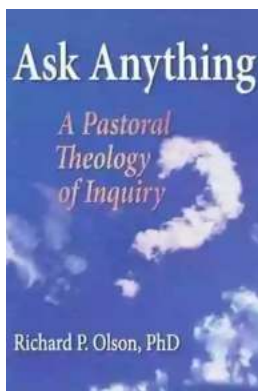

The well-thought writing style which copes with the most wavering attention span.
The flash cards I downloaded as a pdf from the link in my Kindle copy.

The conversation starters which are as a guide only - real world practice is the key.

Thank you Julian for the time and effort put into this guide which literally anybody can pick up and follow. Yes the purists and forensic geeks may shift in their sanctimonious high chairs whilst buffing their crystal balls, but I believe Mr Moore got the tone about right for this value book. It costs as much as 2 x Sunday newspapers which could end up lining a cat litter tray. The thing I like most about the Kindle version is that I can book mark the hardest to remember stuff then simply look in 'My Clipping' as a quick reference for each part - Brilliant!"
