Spiritual messengers of God, Aka, arrived in late March 1970, with a brilliant heavenly light. "We have come...to prepare a way for the coming of the

Messiah." "And we say, hark, unto thee.

"For as we have said before, now is the time of the Cherub.

"And the Fifth Angel rests no longer upon thy earth, for now is the time of the great Sword that should cut of land and masses. "And we shall say once again that your earth is slowly changing upon its own axis. But your earth is sliding with this change. It has done this many times before. But this time it should be done with purpose, that mankind may hear and heed the words of God. "Our Lord has given unto thee free choice. But yet, you go onward with your wars and your killing.

"And we say unto thee, our Father does not seek the blood of the Lamb, but gave it to you that thy may see for thyselfes in the resurrection of your own. Yet you took this and misinterpreted these words, and misinterpreted the deed within itself.

"And now, as we have said before, your earth, this planet of yours, shall show that it has karma too. For earthquakes should come within your land. The earth should heave and give forth unto new life. And the temple of God that is in within man shall shine forth, and come again.

"And thy ask unto thyselfes, 'Why do they talk in riddles?' Yet we have given unto thee many words. We have given unto thee many lessons to pass forth upon the people of the land. We do not come to you alone. We have chosen you first to prepare a way for the coming of the Messiah.

"But first you must prepare the way within yourselves." (Spiritual messengers of God, Aka, April 21, 1972)

“The great Sword is here.“It is a cutting sword of land and masses. The earth’s axis is changing. Where it was hot—where it was hot it shall become colder. Where it was dry it shall become wetter. Where there no water flows, water shall flow, because water is the spirit.”

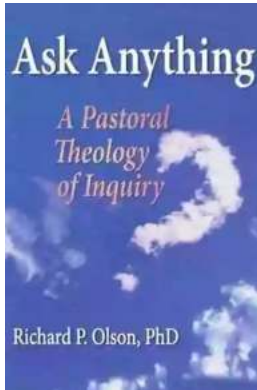

“On one side of the Sword, it shall change thy earth. Its whole form shall change. Where no water flowed, water shall flow. What was a desert before shall bloom into gardens. On the other side of the Sword, thy will see man. Those who should not heed God’s word, this Sword will cut from the earth.”

“You have questions within your mind of the book of Revelations and the timing we have given unto you,” the spiritual messengers of God, said December 15, 1971.

“We should repeat again, for the wise to hear, that only our Father knows of the last days. But the beginning has already begun. Your Father has promised unto you a new heaven and a new earth, and this promise shall become complete within each person, within each soul that dwells and becomes part of our Father’s love for all.

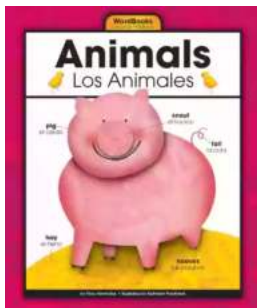

”With great love, the spiritual messengers of God said, September 25, 1975:  
“Your future can be made in such a manner that the famine, your time of the Anti-Christ or the coming of the Beast upon the Earth, can be wiped away with your minds. The chaos of the shifting of the Earth’s axis is nothing more than a minor adjustment that must be made within man and beast.

”This book contains prophecies and knowledge to guide us through the times ahead. It is written to help us prepare a way within our hearts for the Messiah's coming upon the Earth, and to build a new heaven and new earth upon Earth. Hopefully, their words will add to our understanding.
