Unleash the Power of Learning

Puppy Quest recognizes that each child has a unique learning style. With this in mind, the game offers multiple gameplay modes, catering to different preferences and skill levels. Whether your child is a visual learner or benefits from hands-on experiences, Puppy Quest has them covered!

The game seamlessly integrates arithmetic, number recognition, and problem-solving exercises into its captivating storyline, ensuring that children not only master essential math skills but also have a blast doing so. The interactive nature of Puppy Quest keeps young learners engaged and motivated throughout their learning journey.

Explore the Fascinating Number World

Step into the magical Number World, a vibrant place filled with fascinating characters and captivating landscapes. Travel through enchanted forests, climb towering mountains, dive into crystal-clear lakes, and unravel the secrets hidden within. Along the way, your child will encounter various obstacles that can only be overcome by solving mathematical challenges.

With Puppy Quest, learning becomes an immersive experience. By exploring this enchanting world, children are encouraged to apply their math skills in real-life contexts. Whether it's counting the number of stars in the sky or solving puzzles to unlock hidden treasures, Puppy Quest creates a dynamic learning environment that sparks curiosity and imagination.

Puppy Quest Features

Puppy Quest is packed with exciting features that make learning math both fun and rewarding:

- **Interactive Gameplay:** Children actively participate in the learning process through engaging activities and challenges.
- **Adaptable Difficulty Levels:** Adjust the game's difficulty to match your child's progress, ensuring a personalized learning experience.
- **Progress Tracking:** Monitor your child's growth and improvement as they conquer each level and earn rewards.
- **Learn at Your Own Pace:** No rush or pressure! Puppy Quest allows children to learn at a pace that suits them best.
- **Continuous Updates:** Regular updates provide new content, keeping the learning experience fresh and exciting.

Puppy Quest Adventures In Number World is not only about math, but also about fostering a love for learning. By combining education and entertainment, this game has proven to be an effective tool for children to improve their mathematical abilities while having a great time. So, embark on this exciting mathematical journey with adorable puppy companions and watch your child's confidence in numbers soar!

From Lily Lexington, the best selling kid's author who has sold over 100,000 copies of her kid's books in her first 18 months on Amazon.

** This book is available free for Amazon Prime members.**

Explore the numbers 1 through 10 with your child in this exciting rhyming story featuring Pup the Puppy, Drago the Dragon and Blossom the Fairy. Join them on

their quest to explore number world as they plant two magic seeds which end up growing into four magnificent trees. (These aren't ordinary seeds!)

Extract from the story:

The number THREE was next in line,
Up through the soil flimsy and fine.
3 little sprouts from 2 magic seeds,
Already growing at incredible speed!

Your child will take delight in the entertaining and adorable antics of Pup, Drago and Blossom throughout their journey on every page as they discover a new number on every page

- Beautiful, color illustrations that will captivate your young child.
- Rhyming lines help engage your child and sustain interest
- Your child will have such fun they won't even be aware that they are learning their numbers.

Your younger children will enjoy the fun and shenanigans of Pup, Drago and Blossom. Your older children will particularly like the rhyming story format.
