Live life on a whole new level!

We live in a world where our soul-instincts are dulled by the common culture. Creeping materialism and non-Torah values slip into our consciousness without us even realizing it, robbing us of a tangible belief in the World to Come. As Rav Miller explains, the main attack of the yetzer hara is on our belief in Olam Haba.

This book -- a collection of Rav Miller's teachings on the topic of Olam Haba -- is an attempt to correct that, to restore Jewish belief in Olam Haba to its rightful place. Belief in Olam Haba is the pinnacle of our emunah, right alongside belief in Hashem Himself, as Rav Miller often explained.

A profound feeling of emunah in Hashem and Olam Haba can help us face the challenges of everyday life -- including its highs and lows, victories and frustrations -- with a calmness and seriousness otherwise unattainable.

This book is a journey that can change you forever -- and for the better.
