The Fascinating History of Lambert's Sea Glass

Lambert's sea glass is not just beautiful, but it also holds a captivating story within its delicate form. Centuries ago, Lambert was known for its bustling glassworks

Unfortunately, the industry faced a decline as more cost-effective methods emerged, and the glassworks in Lambert were eventually abandoned. As the remnants of this once-booming industry were left behind, nature took over, reclaiming the coastline. Over time, the abandoned glassworks and the discarded glassware were broken down by the elements, creating the sea glass that now adorns Lambert's shores.
