Squirrel gathers acorn seeds, sturdy little oak nut seeds. Anticipating future needs, she gathers acorn seeds.

What makes an oak tree an oak tree and what makes a squirrel a squirrel? In Squirrel's Family Tree, things aren't always what they seem. As squirrel searches for, finds, and hides her acorn treasures beneath the shadows of the great oak trees in the forest, little does she know the role she plays in creating the very environment she forages in.

With masterful illustrations by Papillon illustrator A. N. Kang and delightful, sweet rhymes by New York Times bestseller Beth Ferry, this read-aloud masterpiece about the beauty of nature and the intricate relationships that make it flourish is sure to become an instant classic.
