

The Captivating Story of the Far North

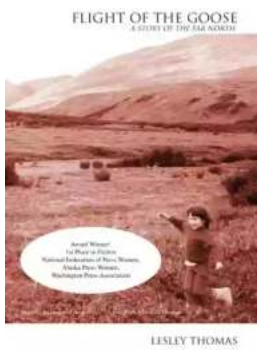

Nestled at the top of the world, the mystical Far North is a place filled with wonder and mystique. Its enchanting beauty and unique cultural heritage have captivated adventurers and explorers for centuries. From towering glaciers to shimmering Northern Lights, the Far North is a treasure trove of natural wonders waiting to be discovered.

Discovering the Arctic Wonderland

The Far North encompasses the Arctic region, including parts of Canada, Greenland, Russia, and Scandinavia. This vast expanse of land and sea is home

to a diverse range of flora and fauna that have adapted to survive in extreme conditions. From polar bears and reindeer to puffins and seals, the Far North offers a unique opportunity to observe and appreciate the wonders of the natural world.

Ancient Cultures and Rich Traditions

The Far North is also home to several indigenous communities that have thrived in this harsh environment for countless generations. These communities have preserved their unique customs, languages, and traditions, offering visitors a chance to immerse themselves in a truly authentic cultural experience. From traditional dances and storytelling to intricate art and craftsmanship, the indigenous people of the Far North have a rich heritage that is both fascinating and inspiring.

A Journey Through Time

Exploring the Far North is like stepping into a time machine. The region is dotted with ancient ruins and archaeological sites that provide a glimpse into the lives of

those who lived here centuries ago. From the mysterious stone circles of Scandinavia to the historic whaling stations of Canada, each site has a story to tell and a mystery to unravel. For history buffs and adventurers alike, the Far North offers an opportunity to embark on a journey through time.

Witnessing Nature's Spectacles

One of the main attractions of the Far North is the stunning display of natural phenomena that occur throughout the year. During the winter months, the skies come alive with the mesmerizing Northern Lights, painting the darkness with vibrant hues of green, purple, and blue. In the summer, the midnight sun bathes the landscape in warm golden light, creating a surreal and breathtaking experience. Whether you prefer the tranquility of a snowy landscape or the vibrancy of a summer sunset, the Far North provides an ever-changing canvas for nature's most spectacular performances.

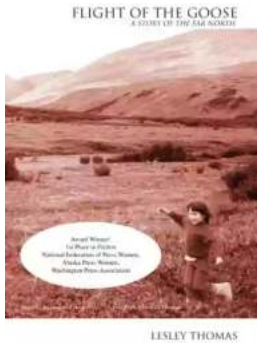

An Expedition of a Lifetime

Embarking on a journey to the Far North is not just a trip, but an expedition of a lifetime. The vast and untamed landscapes, the captivating wildlife, and the rich cultural tapestry offer a once-in-a-lifetime experience that will stay with you forever. Whether you choose to venture into the Arctic wilderness, sail through icy fjords, or explore the vibrant communities, the Far North will leave an indelible mark on your heart and soul.

The story of the Far North is a captivating tale of natural beauty, ancient cultures, and breathtaking spectacles. It is a place where time stands still, and the wonders of the world never cease to amaze. Whether you are an intrepid explorer, a history enthusiast, or a nature lover, the Far North promises an unforgettable adventure filled with awe-inspiring experiences. So, pack your bags and embark on a journey to the Far North – a world like no other.

Cultural and ecological upheaval, birds, science, war, sorcery and shamanism, corporate greed, family, trauma, healing and survival...

Flight of the Goose is award-winning fiction set in a traditional village and the wilds of Arctic Alaska, where author Lesley Thomas grew up.

"Amazing... I loved this book (and) am recommending it to everyone I meet." ~ Sandra Ingerman, author of Soul Retrieval

"One of the best novels of Alaska that I have read... Thomas writes with an unerring knowledge of anthropology and social and environmental issues." ~ Dr. Dorothy Jean Ray, author of A Legacy of Arctic Art

“The story took my breath away. I wept my way through it, identifying profoundly with both protagonists. The author has a fine grasp of the complexity of human relations and culture in such a village. She also writes beautifully. A remarkable book altogether.” ~ Dr. Jean L. Briggs author of *Never in Anger*

1971, the Alaskan Arctic. "It was a time when much was hidden, before outsiders came on bended knee to learn from the elders. Outsiders came, but it was not to learn from us; it was to change us. There was a war and a university, an oil company and a small village, all run by men. There was a young man who hunted geese to feed his family and another who studied geese to save them. And there was a young woman who flew into the world of spirits to save herself..." So relates Kayuqtuq Ugungoraseok, "the red fox". An orphan traumatized by her past, she seeks respect in her traditional Inupiat village through the outlawed path of shamanism. Her plan leads to tragedy when she interferes with scientist Leif Trygvesen, who has come to research the effects of oil spills on salt marshes - and evade the draft. Told from both Kayuqtuq's and Leif's perspectives, *Flight of the Goose* is a tale of cultural conflict, spiritual awakening, redemption and love in a time when things were - to use the phrase of an old arctic shaman - "no longer familiar".

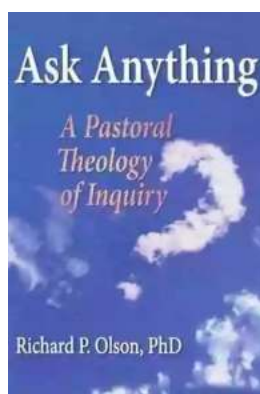

"An) exquisite example of storytelling... A gifted writer with a sense of Alaska Native culture and tradition..." ~ *First Alaskans Magazine*

"Moving and extremely well-written... Besides shamanic themes... the story addresses many other significant issues - climate change, environmental crisis, and Indigenous rights - and it does so with both artistry and insight." ~ *Shaman's Drum Journal*

"What an extraordinary novel... (Thomas) deals with shamanism and sorcery in a very realistic way..." ~ Sacred Hoop Magazine

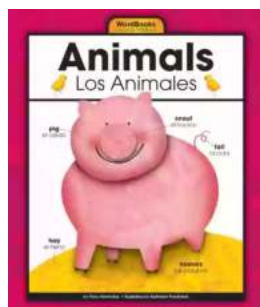

"A serious work of modern literature... Portrays a world in which traditional values clash with modern expectations." ~ Alaska Anthropological Association

"Masterful... Remarkable... Gripping...The authenticity palpable... A joy, a big broad deep river of a book, a work of substance and great beauty of both vision and style... I was moved by the characters and their fates as I have not been by a novel in a long time." ~ Richard Hoffman,author of Half the House
