" The Caring Knight " tells the story of William, the son of a knight named Richard , who lived in a large castle in England many years ago.

“When I grow up,” William thought to himself. “I'll be a good knight just like my father. I'll know how to ride a horse and wield a sword better than anyone.”

The only problem was that William didn't care about Storm, his horse, he didn't care about Lucky, his dog and he didn't care about Mary, his sister.

William's Father teaches him that in order to be a true Knight and fulfill his destiny, he needs to take care of his family, his animals and the environment he lives in.

Author Efrat Haddi is taking young children on a journey with William while he learns a very important lesson.

" The Caring Knight " helps to teach children an important social skill that can make home life happier and school more successful.

It also provides parents, teachers, and counselors with an entertaining way to teach children why they should take care of their family, their animals and the environment..

This well-written and inspiring story, delivers easy-to-digest education complemented by vibrant, delightful illustrations

This story may be ideal for reading to your kids at bedtime and enjoyable for the whole family as well! It is suitable as a read aloud book for preschoolers or a self-read book for older children.
