Eager seekers of thrilling folklore will find themselves engrossed in the chilling and magical narratives found within these translated works.

### The Demon at Agi Bridge and Other Japanese Tales (Translations from the Asian Classics)

by Haruo Shirane (Kindle Edition)

★★★★☆ 4.6 out of 5

One of the standout pieces presented by Translations From The Asian is the hair-raising tale of "The Demon At Agi Bridge." This story revolves around a mysterious malevolent entity that terrorized a small village. It is said that the demon's malefic presence unleashed a reign of darkness, casting the village into perpetual fear. The narrators describe the demon's ferocious appearance, its piercing red eyes, and its unholy strength. Readers will be captivated by the villagers' desperate struggle to withstand the demon's wrath as they summon all their courage to confront this otherworldly menace.

## **The Supernatural Quest for Redemption**

Within this tale, we encounter a young protagonist, Hideo, whose life is forever changed by his encounter with the demon. Burdened by guilt and seeking redemption for his past mistakes, Hideo embarks on a perilous journey accompanied by a wise old hermit. Together, they traverse treacherous landscapes, encounter mystical beings, and face daunting challenges to uncover the secret that holds the key to vanquishing the demon and bringing liberation to the village.

The story's profound exploration of themes such as guilt, redemption, and the indomitable human spirit will undoubtedly resonate with readers of all ages. Through the extraordinary trials experienced by Hideo, the tale unfolds with unexpected twists, leading to a heart-stopping climax that will leave readers yearning for more.

## The Demon at Agi Bridge and Other Japanese Tales (Translations from the Asian Classics)

by Haruo Shirane (Kindle Edition)

★★★★☆ 4.6 out of 5

Burton Watson and Haruo Shirane, renowned translators and scholars, introduce English-speaking readers to the vivid tradition of early and medieval Japanese anecdotal (setsuwa) literature. These orally narrated and written tales drew on both local folk tradition and continental sources. Taken from seven major anthologies of anecdotal literature compiled between the ninth and thirteenth

centuries, these dramatic and often amusing stories open a major window onto the foundations of Japanese culture.

Out of thousands of setsuwa, Shirane has selected thirty-eight of the most powerful and influential, each of which is briefly introduced. Recounting the exploits of warriors, farmers, priests, and aristocrats, and concerning topics as varied as poetry, violence, power, and sex, these tales reveal the creative origins of a range of literary and dramatic genres, from court tales and travel accounts to no drama and Kabuki. Watson's impeccable translations relay the wit, mystery, and Buddhist sensibility of these protean works, while Shirane's sophisticated analysis illuminates the meaning and context of their compact stories. Capped by an extensive bibliography, this collection fully immerses the reader in the thrilling world of secular and religious tales.
