Book 5 The Fool's Journey Series

Noel Eastwood's unique blend of rollicking good storytelling and the wisdom of esoterica and the Tarot continues in this, the final book of the Fool's Journey series. Follin and Eve fulfil their mystic's quest but only after they are faced with life-changing experiences that test their resolve and their magical powers. The

couple's seven-year-old twins, Aidan and Fiana, prove to be a handful as they too grow in wisdom and, hopefully, self-control.

Each chapter introduces unique insights into the Wands suit inspired by the symbology and imagery of the cards themselves. They set the scene for the many challenging adventures that lead to hard-fought wisdom for both Follin and Eve. With the declining health of their mentors, Mage Hermes The Magician, and High Priestess Hera, they are forced to confront the harsh realities of life in the Tarot Empire to complete their training. But first, they must prove themselves worthy and capable of using the magic of the four Minor Arcana Tarot suits in the most extreme of circumstances.

Once again you will meet your favourite characters as they support Follin and his family while also defending the Wands frontiers. Inspired by the esoteric element of Fire, the people of the Wands Kingdom demonstrate how to access and harness fire energy using specific meditation forms.

Originally written for Tarot practitioners Noel's Fool's Journey Series has found a broader audience in those interested in personal growth. Through Follin, we come to respect, and delight in, The Fool in all of us.

“I've just listened in one go (twice) to your audiobook on the fool's journey through the major arcana. What a great interpretation of this journey, with so many memorable encounters that made me feel a more personal connection with the cards. I loved the highlight of the imperfections' and insecurities in the fool's mind - at least while he's still just a fool.” CE

“I am so happy to hear about the Wands book. I will definitely purchase the color version. I was so happy to receive the Cups books and had been meaning for some time now to email and tell you how much I've been enjoying it. Usually I read immediately and finish right away.” CM
