An airport pet groomer meets her frequent flier crush in this captivating romance novella from the acclaimed author of How to Fail at Flirting

Ollie Wright loves the thrill of taking chances, like opening a pet grooming salon in an airport where every day is a little unpredictable. The one thing she won't risk is her heart, so catching glimpses of a cute stranger from afar is enough romantic entanglement for her.

Bennett Baker is a professional risk assessor by day while writing popular romance novels at night, except he finds himself facing writer's block. His life of carefully planned stability comes crashing down when he rescues a slippery pup in the airport and returns it to the enchanting pet groomer whose laugh inspires him to start writing again.

Their chance encounter and instant chemistry thrusts them into a whirlwind of airport dates at pretzel kiosks, stolen glances at empty gates, and late-night texts that leave them swooning. If the risk-adverse Bennett can take a chance on uncertainty and adventurous Ollie will break her own rule, their relationship might stop taxiing and actually take off.
