From a bestselling Catholic author! The Antichrist (A Catholic Perspective) deals with Satan and his role at the end of times: through the eyes of Sacred Scripture, the Doctors of the Church, the mystics, and the saints. A timeless book which does not incorporate recent prophecies about the Antichrist but rather accepted

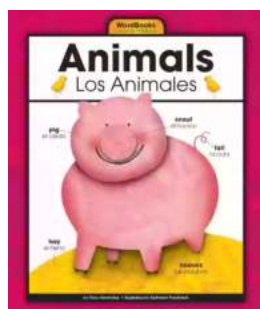

Church teachings and private prophecies which avoid the current fads of messages that try to pinpoint exact daily prophecies with dates and specific times.

A recent endorsement: "I have to say that of the many books I have read (having multiple degrees in theology -including my Doctorate from Columbia University) your "They Bore the Wounds of Christ: The Mystery of the Sacred Stigmata..." is one of my all time favorites. In fact not only do I continue to refer to it, but there are certain passages that you explain that could only be attributable to infused divine inspiration. Please continue to write ... Peace, Deacon Mike Vicinanza."
