The Promised Key, sometimes known as The Promise Key, is a Rastafari movement tract by Jamaican preacher Leonard Howell, written under Howell's Hindu pen name G. G. Maragh (for Gong Guru).

It contains religious tenants and mystical foundations for Rastafari. Many of the same concepts were borrowed from The Royal Parchment Scroll of Black Supremacy and The Holy Piby. The Promised Key is a necessary read for anyone making an attempt to study the theology and racial philosophy of one of the first religious teachers of Rastafari.
