When Thou Art Converted is a compilation of messages and lessons to challenge, motivate and inspire the body of Christ. Many believers live a life of secret sin and compromise not answering God's call for righteousness and true holiness as stated in Galatians 4:24. This book challenges the reader to truly consider their conversion and calls for proof of the evidence as given in Scripture. It will also help the reader identify their stage of development within the womb of the Spirit; many claims on maturity are made by some who are actually in the embryonic or fetal stage. When Thou Art Converted provides a simple approach to a complex issue, and through Biblical truth, will break down but then build up the reader, sharing profound truth that cries loudly over strongholds and battle grounds to come forth in a new life of blessing and grace.
