The brolly's frame is made from high-quality aluminum alloy, providing stability and resilience even in harsh weather conditions. Its collapsible design makes it easy to assemble and disassemble, fitting conveniently into any camping backpack. With its adjustable height and width, the Sleeping Bug Brolly adapts to different sleeping arrangements, accommodating both solo campers and larger camping groups.

Why You Need the Sleeping Bug Brolly

Imagine lying peacefully in your tent, gazing at the starry night sky, without worrying about pesky bugs crawling on you or buzzing near your ears. The Sleeping Bug Brolly makes this dream a reality. Here are some compelling reasons why every camper should consider adding this innovative product to their camping gear:

1. Protection from Insect Bites

The brolly's mesh fabric acts as a barrier, preventing insects from reaching you while you sleep. No more waking up with itchy bug bites or annoying mosquito buzzing in your ears. With the Sleeping Bug Brolly, you can enjoy a peaceful night's sleep, undisturbed by crawling critters.

2. Breathable and Comfortable

The lightweight mesh fabric allows for optimal air circulation, ensuring that you remain cool and comfortable throughout the night. Unlike traditional bug nets that can feel suffocating and trap heat, the Sleeping Bug Brolly provides a refreshing environment for a rejuvenating sleep.

3. Versatile and Portable

With its collapsible design and adjustable dimensions, the Sleeping Bug Brolly is suitable for various camping setups. Whether you're camping solo or with a group, this versatile companion fits effortlessly into your camping gear without taking up valuable space. Its lightweight nature ensures that it won't add much weight to your backpack.

4. Easy to Assemble

Gone are the days of struggling with complicated tent setups. The Sleeping Bug Brolly can be easily assembled within minutes, even by novice campers. Its user-

friendly design and comprehensive instructions make it a hassle-free experience, allowing you to focus on enjoying your camping adventure.

Have you ever read a book that felt so real you wanted to be part of it?

When Molly Jeffries opens her new book, *The Sleeping Bug*, she is magically transported to the fictional world of small town Texas where she meets the young cowboy, Calhoun Campbell, and his dog, Whiskers. After a mysterious sleeping sickness forces the town's adults into a deep sleep, Molly faces an agonising decision that threatens to imprison her in the book forever. How far would you go to help the characters you love? *The Sleeping Bug* is a heart warming, thrilling, and magical children's book for readers of all ages.

This exciting new children's novel is perfect for fans of Sophie Cleverley, Robin Stevens, Eoin Coffey, and Helena Duggan.

Praise for *The Sleeping Bug*

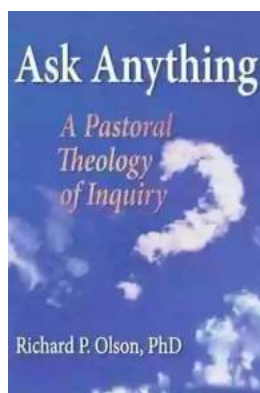

'Great story for young readers. I was sucked in pretty quick and wanted to see what was happening next! Very creative.' Jillian F., Netgalley

'My daughter (10yo) loved this book. She is an avid reader and read it in two sittings. Having recently changed school herself I think she really connected with

Molly, and the challenges she was facing. She said she had lovely dreams after reading this book and I think this is a story that will stay with her long after she finished it.' Laura D., Netgalley 'This is a really good book for young readers. I feel like they could identify with Molly. It is well written and holds your attention. I enjoyed reading it. Thank you Oblong Books via NetGalley for the free copy. This is my honest opinion.' Ann F., Netgalley

'This atmospheric and charming middle grade read perfectly captures the sensation of a young person being completely enthralled with a book. It tells the story of a "book within a book"— which I'll admit is really hard to pull off! When I'm reading and the character in my book is also reading, it adds a layer, and it's difficult to make the reader actually care about the book within the book— but given that *The Sleeping Bug* in the story was such a driving force of the plot, Brolly pulled this off really well. Molly, our main character, is a British schoolgirl who is whisked into the world of her most recent read both literally and figuratively. I loved Molly, and I loved how accurately Brolly portrayed the very real notion of being emotionally affected by what happens to characters in media we consume.' Madison L., Netgalley

'This book will resonate with anyone who has ever felt completely engrossed with a book, to the point that they feel like they are living and breathing alongside the characters who fill the pages.' Rebecca B., Netgalley
