Jesus Christ came into this world to save sinners. Jesus is a unique Personality that everyone gets to hear about from age to age right from the time He came into this world. He is more famous than the most famous personalities. Through Him and the stories about Him, more books have been published than any other personality. This book is also about Him.

The more I study about Him the more the revelations that manifest. Jesus Christ was on this planet physically for only 33½ years before He was crucified, dead and buried, rose from the dead, and ascended to heaven, yet His impact and influence is still penetrating the human strata portraying the fact that He is a Leader of leaders, King of kings and Lord of lords, the Supreme pre-eminent One.

To know the strength of a leader, all you need to do is to look at the people following Him. Jesus was and is still being followed by men and women of stature. He is being followed by Kings, Queens, Prime Ministers, Presidents, Entrepreneurial leaders, business gurus and technocrats, and men and women from all works of life. He started with 12 disciples, later the seventy and when He

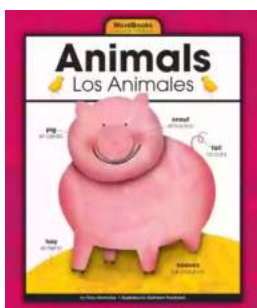

was going He left 120 solid disciples behind. To some that may look small but by the time the Holy Spirit came on them the fire of revival was ignited. His Supremacy was clearly demonstrated during His short stay here and through His disciples from generation to generation.

Though there are powers and so-called supreme leaders, there is none like the Son of God. This book is about how Jesus Christ is supremely forever above any other priest, leader, or individual. You will find herein, through in-depth study, analysis, and expositions how Jesus is supreme to any created being and why He is not only worth following but worth making known to those that either despise Him or do not know Him at all. I pray that as you go through the book the eyes of your understanding will be enlightened to know Him deeper than you know Him now and to follow Him all the way to the end. "Jesus is Lord" is not a mere statement. He is indeed above all. I encourage you to carefully sift through the book, and you will see how none can be compared to Jesus. He is Lord of All. A leader worth following.
