Numbers abound in this world, and studying the numbers will tell you more about the kind of person you are and the person that you can be and have been.

Numerology is the science of using numbers to explain and describe people, what they do, and who they are.

Numerology is a scientific-based system of converting information about a person to a number that corresponds to information on various charts. And this book, Numerology: The Ultimate Guide to Numerology for Beginners, Including Numerology and the Divine Triangle, the Relationships and Dating Compatibility. Ideal to Discover the Connection to Astrology, is the only book you will ever need to know exactly how numerology works and how it can work for you.

You will learn how to calculate the numbers that will mean the most to you as an individual. You will see how mixing combinations of numbers will give a very different result in your life. And you will even learn how you can use numbers to know what kind of life you lived in a past life. The worst part about not trying to make numerology work in your life is the knowledge of what you will be missing.

If you do not calculate your numbers and see what they mean to you, then you might not even know what kind of person you truly are, what kind of values you believe in, or what motivates and drives you. You might feel that you could live forever not knowing these things, but think about how much more improved life would be if you had a way to interpret the meaning of the events in your life and how to handle them?

What you will learn in this book:

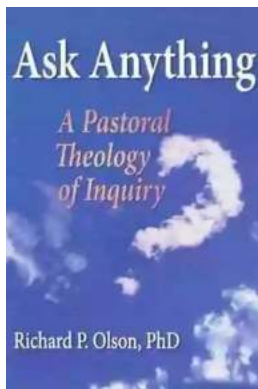

- The History and Origin of Numerology
- The Soul Urge Number
- The Personality Number
- The Birthday Number
- The Life Path Number
- The Attitude Number
- Metaphysical Understanding of Numbers
- Biblical Numerology
- Three Aspects of Self Concepts
- Arrows of Individuality
- Nine-Year Cycle of Change

- Three Phases of Life
- The Astrology Numerology Connection
- Using Numerology to Analyze Names
- Numerology and Relationship Compatibility
- Intuition, ESP, and Reincarnation

... and Much More!

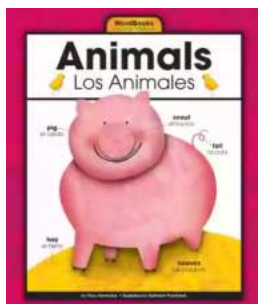

So take this book, and use the instructions inside to calculate the numbers that are important to your life, and learn what they mean to you. You will not be sorry that you did, and, if done correctly, you will be leading the best life that you can possibly have.
