A baby-sized to sounds we hear every day, and a delightful companion to Baby Signs

Long before they can speak, babies are listening. And with this book of fourteen everyday sounds, babies and toddlers are encouraged to interact with parents, caregivers, and the noisy world around them in ways that widen their sensory awareness and expand their vocabulary. From a tweeting bird to clanging pots, a beeping phone to honking cars, the splash! of water to the sound of a kiss--mmmwah!--this book is full of the sounds that fill a baby's day. Perfect for little hands to grasp, this is a delightful stand-alone or a lovely companion to Baby Signs.
