A colorfully illustrated, pocket-size picture book biography of Native American teenager Pocahontas.

Pocahontas was a Native American teenager famous for her connection to the colonial settlement in Jamestown, Virginia. She is said to have saved the life of Englishman John Smith. At the age of 17, she married tobacco farmer John Rolfe, eventually moving to England with him. Her story has been highly romanticized in literature and film over the years, and remains captivating to this day.

Pocket Bios are full of personality, introducing readers to fascinating figures from history with simple storytelling and cheerful illustrations. Titles include men and women from history, exploration, the sciences, the arts, the ancient world, and more.
