

# The Used To Be Best Friend: A Journey through Lost Connections and Redemption

Once upon a time, we were inseparable. We laughed together, cried together, and shared our deepest secrets. Our connection was so strong, it seemed nothing could break it. But somewhere along the way, things changed. We drifted apart, and what was once the best of friendships turned into distant memories. This is the story of 'The Used To Be Best Friend'.

Do you remember that special bond you had with someone, the kind that just felt irreplaceable? It's a connection that goes beyond any other, where we find comfort, understanding, and a sense of belonging. These friendships are rare and precious, yet fragile.

But just as friendships can be built over time, they can also be tested, strained, and sometimes even broken. The Used To Be Best Friend reminds us of the intense emotions we experienced during those golden days, and the heartache that comes with losing someone who was once an integral part of our lives.

In today's fast-paced world, maintaining deep friendships can be challenging. Life gets in the way, and as responsibilities pile up, we might unintentionally neglect the connections that once meant the world to us. It's not always intentional – life simply has a way of steering us in different directions.

However, it's important to remember that friendships, like any relationship, require effort and attention to thrive. If we don't actively nurture these bonds, they can wither away, leaving us longing for what once was.

But does a lost connection mean it's gone forever? Can we find redemption and revive a friendship that was once so strong? The answer lies in our willingness to rekindle the flame.

Firstly, we must acknowledge the role we played in allowing the friendship to drift apart. Self-reflection helps us understand whether external circumstances or our own actions were responsible for the rift. Taking ownership of our part in the separation is vital if we truly want to mend the broken ties.

Then, it's time for open and honest communication. We must reach out to our *Used To Be Best Friend*, expressing our sincere desire to reconnect. Honesty, vulnerability, and a willingness to listen without judgment are key elements in rebuilding trust and understanding.

However, it's important to set realistic expectations. The journey towards rekindling a lost friendship may not be a smooth one. Understand that people change, and both you and your friend may have evolved in different ways. But

this doesn't mean the connection can't be salvaged; sometimes, a little effort is all it takes to bridge the gap.

Moreover, be patient. Rome wasn't built in a day, and friendships aren't restored overnight. It may take time for both parties to assess their feelings, heal past wounds, and rediscover the bonds that brought you together in the first place.

But remember, life is unpredictable. Some friendships are meant to grow and develop further, while others may remain forever etched in our memories. The important thing is to cherish the lessons learned, the growth experienced, and the beautiful moments shared.

Finally, whether a friendship can be revived or not, it's essential to embrace the present moment and nurture the connections we currently hold dear. By investing time and effort in cultivating strong bonds, we can create lasting relationships that withstand the test of time.

So, the next time you come across a Used To Be Best Friend, don't shy away from reaching out. Who knows? This journey of reconnection might lead to authentic reconciliation and an even stronger friendship than before.

American Indian Youth Literature Award: Middle Grade Honor Book!Hello/Boozhoo—meet Jo Jo Makoons! Full of pride, joy, and plenty of humor, this first book in an all-new chapter book series by Dawn Quigley celebrates a spunky young Ojibwe girl who loves who she is.

Jo Jo Makoons Azure is a spirited seven-year-old who moves through the world a little differently than anyone else on her Ojibwe reservation. It always seems like her mom, her kokum (grandma),and her teacher have a lot to learn—about how good Jo Jo is at cleaning up, what makes a good rhyme, and what it means to be friendly.

Even though Jo Jo loves her #1 best friend Mimi (who is a cat),she’s worried that she needs to figure out how to make more friends. Because Fern, her best friend at school, may not want to be friends anymore...

The Heartdrum imprint centers a wide range of intertribal voices, visions, and stories while welcoming all young readers, with an emphasis on the present and future of Indian Country and on the strength of young Native heroes. In partnership with We Need Diverse Books.
