#### The Werewolf Cycle: Bite into the Terror

Werewolves have long been a source of fascination in folklore and literature. The Werewolf Cycle, a pivotal part of this suspense and horror collection, delves deep into the chilling world of lycanthropy. As readers immerse themselves in these stories, they will witness the transformation from man to beast, the battle between instinct and humanity, and the terrifying consequences that follow.

From the eerie moonlit nights to the ancient curses that haunt every step, the author masterfully paints vivid imagery that will send shivers down your spine. The visceral descriptions of the werewolf's primal instincts combined with the

struggle to retain their humanity create an emotionally charged and adrenalinefueled experience, guaranteed to leave readers hungry for more.

#### The Elias Apocalypse: Unveiling the Fate of Humanity

In the haunting tales of The Elias Apocalypse, readers will find themselves confronted by apocalyptic scenarios that will test their own resilience. The enigmatic character of Elias becomes the epicenter of these cataclysmic events each more terrifying than the last. From natural disasters to supernatural forces, the narratives evolve, raising questions about humanity's role in the face of impending doom.

The author's ability to intertwine suspense and horror with thought-provoking themes elevates The Elias Apocalypse above other tales of its kind. The readers will be captivated by the intricately constructed storylines, the complex characters, and the constant sense of impending chaos. Will humanity prevail, or will it succumb to the darkness lurking around the corner?

Number 12 is the Order of Benjamin on the side of light, closing with the tribe of Benjamin whose symbol is the wolf and in the cosmos is Aquarius, the opening of portals on earth, portals of the cosmos. On the dark side the wolf is also the symbol, but now the wolf for its dark side of lycanthropy and magic.

The wolf devouring chaos that strengthened itself in the pandemic that devastates the world and with it left the veins of the world open for the Dragon to descend.

The Dragon that in the cosmos is represented by Ofiucus, the Serpent, the thirteenth constellation of the Zodiac that is part of the current, modern Zodiac.

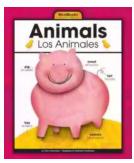

For Revelation 12 to be fulfilled and the serpent to dominate the world, the Wolf must open the way.

The wolf's path is opened with pain and death and that is why we see so much slaughter in the world.
