This volume will exhaustively reveal all aspects of encoding of number 33 in mass media, science, entertainment and politics.

This book will disclose occult practices and believes of the elite, notably Hollywood's and political establishments which manifests itself through numerology codes in the motion pictures, mass media and show business. As far as we know since Renaissance times the greatest artists and thinkers such as Leonardo da Vinci, Michelangelo, Nicolas Poussin, Albrecht Durer and Isaac Newton were using secret ciphers and codes embedded in their works, which were supposed to carry hidden messages for the posterity. Some of this hidden messages we could decipher only during last decades, hundreds of years after they were sent to us. There are modern adherents of the secret societies from the bygone era who carry the torch of the same tradition-conveying secret messages for those who would be able to understand them. This book will show you those esoteric messages in the unlikely places.
