## About Mort in China Comic

Mort in China is a Comic Book for Children, Teens, Young Adults and alike. If you've ever been curious about China, or you just love Asian comics and CUTE Asian characters, this Entertaining and Informative Indie comic produced by expats living in China is sure to bring joy with its Humorous tale of a protagonist out of his element trying to navigate Chinese Culture. Available on Kindle Short Reads.

Additionally, while studying and living in China the author began to notice a need for a fun resource that would make modern Chinese culture accessible and easy to understand, as well as give students of Chinese an entertaining way to improve their reading skills and to help support students of Chinese across the globe. The author's mission with this series was to create an entertaining story that could help the two cultures better understand one another. For the western audience it is our hope that they will learn about life in modern China through our main character Mort, as he stumbles his way through the culture.

After 500 years of work and still only being considered '2nd best' a mild-mannered soul collection agent for Final Destinations, an afterlife tourism agency, named Mort has his world turned upside down when his boss sends him to root out and correct the efficiency issues in their China branch office. Things take a turn on arrival as he quickly realises that he is woefully unqualified to deal with the nuances and pitfalls of Chinese culture. Will Mort succeed, or will his failure spell doom for all of China?

Please note: that this book is available in colour for all devices that support colour viewing.

This is book one of the 'Mort in China' miniseries, a prelude to the 'Final Destinations' comic book series. You only live once, so start your adventure today and take advantage our limited timediscount price
