Print length: 16 pages

Siblings Bob and Tom help their mom. This A-level story uses decodable text to raise confidence in early readers. The book features short o sounds, and uses a combination of sight words and short-vowel words in repetition to build recognition. Original illustrations help guide readers through the text. Author Cecilia Minden, PhD, a literacy consultant and former director of the Language and Literacy program at Harvard Graduate School of Education developed a specific format for this series. Books in this series include author biography, phonetics, and teaching guides.
