Introducing Leonard Decarmine

Among the many cakes that Joanna Lockdown has created, one stands out as an emblem of her creativity and expertise - Leonard Decarmine. This unique cake is named after Joanna's beloved pet cat, Leonard. But Leonard Decarmine isn't just any ordinary cake; it's a true work of edible art.

Leonard Decarmine is a three-tiered cake with a scrumptious combination of flavors. The base layer is made of decadent chocolate sponge infused with hints of coffee, while the middle tier surprises taste buds with a zesty lemon drizzle. The top layer, adorned with edible flowers, is a burst of vanilla bean sponge complemented by delicate cream cheese frosting.

What sets Leonard Decarmine apart from other cakes is its stunning visual representation. Joanna's intricate attention to detail is evident in the stunning hand-painted fondant icing that covers the entire cake. The icing depicts a

whimsical garden scene with colorful flora and fauna, transporting you to a wonderland of flavors and visuals.

The Inspiration Behind Leonard Decarmine

Leonard Decarmine was born out of Joanna's love for her feline companion. Leonard, a mischievous but lovable tabby cat, has been Joanna's faithful friend for over a decade. To honor his companionship during the challenging times of lockdown, Joanna decided to immortalize him in cake form.

The vibrant garden scene on the cake serves as a representation of Leonard's favorite sunny spot in their backyard, where he spends hours basking in the warmth of the sun. The attention to detail in capturing Leonard's essence is remarkable, with each stroke of the paintbrush bringing his playful spirit to life.
